I arrived on scene to a two vehicle crash and observed a red jeep facing westbound in the middle of the roadway. I spoke with the driver of the red jeep who was going to get assessed by the fire dept. I then spoke with the other driver of the dark ford and she stated that the driver of the red jeep attempted to make a U-turn in the middle of the roadway using the driveway of the business to the east, and the rest of the roadway. Upon doing this, the driver of the dark ford stated that she did not have time to react during braking and struck the vehicle during its U-turn. Witness on site confirmed the same sequence of events. No medical attention was needed for either party. Both vehicles were towed due to disabling damage.

Actions/Observations:

On 04/01/2024 at approximately 1650 hours, I, Officer Stevens #384 made phone contact with a Peterson, Carly Phoenix DOB:12/06/2005 (phone number 612-205-8738) who stated that she was rear ended at France avenue South and 98th Street West while driving her (VEH 2)2014 brown Honda CRV (MN Plates:KUP153).

Carly stated that the vehicle had Minnesota plates:(VEH 1)MKG890 and the vehicle was a smaller green Toyota sedan. MKG890 registers to a Hanson, Linda Kay DOB: 06/19/1946 who lives at the address of 11135 Oregon circle 2012 (2012 Brown Toyota Rav 4).

I attempted to make contact with Hanson by phone at a number located online (952-893-8983) with no answer. I checked Hanson's address and did not see the vehicle parked at the address.

I met Carly at her father, Peterson, Eric John's DOB:01/14/1971 shop (Eric's Repair Shop, 9740 Humboldt avenue South). Eric is the registered owner of the CRV that Carly was driving.

Carly stated that she was the lead car at the light at NB France and 98th street West. Carly stated she was in the right lane when the suspect vehicle hit her from behind. Carly described the hit as a jolt forward and was not sure how fast the vehicle was going when it struck her vehicle.

Carly stated that the light turned green and she continued North on France into the Archery Range parking lot at 94th street West and France avenue South with the intention of getting the other driver's information.

Carly stated that when she signaled to pull into the Archery Range lot the suspect vehicle continued North on France avenue without making an attempt to stop with her.

I took photographs of the CRV and uploaded them to Axon evidence.

Eric stated the damage to the vehicle could possibly cost \$2500.00 to repair. The damage I could see on the CRV was a license plate bracket impression on the rear bumper as well as some misalignment in the passenger rear quarter panel.

Carly was given this report number.

Update:#310 made contact with VEH 1 driver. Driver identified as Hanson. Hanson initially stated that Veh 2 backed into her. Hanson stated she didnt think there was any damage and drove away without exchanging info. Hanson was advised that this constitutes a Hit and Run under MN Statue. Veh 1 was found to be at-fault for this crash. Insurance info obtained.

VEH 1 AT-FAULT.

On 04/04/2024 at 1457 hours I Officer Dhimbil was dispatched to 8051 33rd Ave S for a car vs building accident. Unit 1 was driving a U-Haul and struck an entrance ramp going into the parking garage. Unit 1 vehicle needed 11 feet of clearance while the designated sign on the garage stated that clearance was 8 feet. Unit 1 destroyed the clearance sign and damaged part of the building.

The building and the U-Haul both had substantial damages.

The driver of Unit 1 was cited for Driving after Revocation. The person who rented the U-Haul was is listed as the 2nd owner and was the only authorized driver per the U-Haul contract. Going through the equipment contract form, it does not look like Unit 1 was a designated driver.

No tow was required for the vehicle. The vehicle was able to run.

Photos were taken and uploaded to AXON.
