BLOOMINGTON FAMILY AQUATIC CENTER GROUP ETIQUETTE AND RULES

All group members are expected to follow all Bloomington Family Aquatic Center rules. Please see reverse side for our general pool rules.

All groups must have a rules orientation with Aquatic Center staff before entering the facility on their first swim trip of the year.

- The same organization bringing different children and counselors must have a rules orientation with each new group of participants.
- Please see the front desk and have participants wait on the grassy area outside of the facility or on the bus.

Groups must have adequate adult chaperones in the water who are actively supervising children.

- The City of Bloomington requires in-water chaperone to child ratios of 1:8 for children ages 6 and under and 1:10 for children 7+ at our aquatics facilities.

Groups need to use the designated women's and men's changing rooms within the facility.

- Those needing extra support changing or a private changing environment must use the unisex restrooms accessible from the pool deck near Concessions.
- Please keep the family/accessible restrooms inside the building clear for individual and family use.

All Swimmers must have a swimsuit in order to swim in the pool.

- Street clothes are not permitted. Swimmers must have a designated outfit for swimming.

Swim Diapers are required for children that are not independently toilet trained.

Due to the limited number of chairs available on the pool deck, please have participants and staff leave their belongings on the grass.

Swim tests are given at group request to determine participant's swimming ability.

- Please see lifeguards upon entry and wait for their direction.
- Groups are only permitted to do one whole group swim test each season. Participants may be tested on an individual as needed.

Please supervise the concessions area and help children with their money, food, and clean-up.

- One adult chaperone must be present at the concessions stand when participants are purchasing or eating concessions items.
- Please help keep our facility clean by throwing away trash and cleaning up spills.
- Please see the "Group Concessions Menu" for concessions items and pricing available to your group—this may be distributed to families in advance for planning purposes!
- Picnic space is available outside of the pool fence for groups bringing outside lunches.

Our group has read and understands the above etiquette and rules for the Bloomington Family Aquatic Center. Our group will follow the above etiquette and rules during our summer usage at the pool and understands that failure to follow the above policies may result in denial of future group reservation requests.
