DAKOTA LANGUAGE CAMP

A unique approach to language learning for both Dakota and non-Dakota children, the Dakota Language Camp provides an introduction to one of Minnesota's native languages. No classrooms here - all learning is through hands-on experiences of traditional Dakota games, crafts, songs, dancing and foods. Students will sit inside a tipi to learn how it was used and furnished. As Dakota culture is rooted in the land, many words are learned during nature walks on the beautiful trails of Pond Dakota Mission Park, situated on the Minnesota River. Dakota teachers will also explain their nation's values and history.

This camp is held in the 40-acre Pond Dakota Mission Park, where the historic Pond House is located. The house was built by Rev. Gideon Pond, who with his brother Samuel, were the first to write down the Dakota language in 1834.

The Dakota Language camp is a joint venture of Bloomington Parks and Recreation and the Dakota Language Department of the University of Minnesota, which creates the program content and provides experienced teaching staff. **Lunch is provided.**

GRASP

Looking for a way to keep your child's math and reading skills sharp over the summer? Try GRASP!

GRASP is a nine week correspondence program for grades K - 8 which helps students maintain reading and math skills while they are on summer vacation. Each lesson is constructed to reinforce or reteach typical basic skills generally found in most curricula at a particular grade level.

- One lesson per subject is completed each week for nine weeks.
- Each lesson should take approximately one hour per week to complete.
- Completed lessons are mailed to a scoring center in the envelopes provided. The lessons are scored, results recorded and returned to the children. Children successfully completing at least seven lessons (70% accuracy) are awarded a certificate. Those successfully completing all nine lessons receive a medal soon after Labor Day.
- Instruction sheets found in each packet provide all the necessary information to complete each lesson.
- Children attending Bloomington Public Schools will have materials sent home with them the last week of school. All others will be mailed in early June.

We suggest parents order the grade level just completed. If there are extenuating circumstances, order the grade level that is appropriate for your child.

Registration Deadline: April 16, 2015
