<u>PRIORITY CLASSIFICATION</u>						
<p>Due to the large number of organizations that request usage of City facilities, it is necessary to define and classify users by type of activities and establish a reservation priority to ensure that City facilities are made available to best meet community needs. As a result, the facilities will be scheduled in accordance with a scheduling priority policy as established herein. Rental fees are established in accordance with the following priority classification policy.</p> <p>Priority #1 – All City sponsored activities, programs and meetings. Any activity related to the operations of the City of Bloomington’s government including, but not limited to, City Council, official commissions, advisory boards, task force, and study committees, City departments and divisions, City programs and events. Reservations for City functions may be taken at any time for any date. City functions may pre-empt lower priority reservations at the discretion of the City Council (e.g. a special City Council meeting may bump a rehearsal in the theater). There will be no rental fees charged for City reservations in City facilities.</p> <p>Priority #2 – All City co-sponsored activities, programs and meetings. Any co-sponsored City activity.
