

Catalytic Converter Theft Prevention

Thefts on the rise

Thefts of catalytic converters have risen dramatically in recent years and can cost a victim hundreds to over a \$1000 to replace. Take steps to protect your vehicle and limit your chances of being a victim.

Parking

Park your vehicle in a garage or well lit area

Install anti-theft alarm

An audible alarm should your vehicle be tampered with

CatGuard Label

Install and register a CatGaurd label to be part of accredited register (info via QR code)

Install Anti-Theft Device

Items such as Cat Cages, Cat Shields, Cat Clamps make theft much more difficult

Information on the Catalytic Converter Theft Prevention Labeling Initiative can be found via the QR below or at www.blm.mn/CCprevention
