On 9/1/20, the Bloomington Police Department transitioned from Summary Reporting System (SRS), that included Part I & Part II Crimes, to National Incident Based Reporting System (NIBRS), that includes Group A & Group B Crimes. The FBI required the move to NIBRS nationwide by 1/1/21.

Of note: In SRS reporting, the highest-level offense was reported per case number, but in NIBRS reporting, all offenses are reported per case number. Certain statutes were also re-categorized. Therefore, SRS & NIBRS numbers cannot be equally compared.
