Utility invoices must be in the name of the owner and sent to the owner's home or business address. The post office will not deliver mail to the rental property site when addressed to the owner and the owner is not the occupant. Tenant's names will not appear on the invoice. In the case where there is a property manager, we will send the invoice in the owner's name in care of the property manager. A copy of the contract with the property management company must be on file with the Utility Division.				
Unpaid charges will be certified to the County and assessed to the property taxes each year. Disconnection and restoration charges are \$50 for each service performed (\$100 total) if the service is disconnected for non-payment. Services disconnected more than one time will require an additional deposit. Every property owner who fails to keep their correct name and current address on file with the City's Assessing Department (952-563-8722) will be deemed to have waived objection to the adequacy of the manner of providing notice of disconnection and notice of assessment hearings to the addresses on record.				
The Bloomington City Code, Rental Housing, Chapter 14, is available online at Bloomingtonmn.gov. It is important to become familiar with the City Code.
