FOR

ELECTRIC VEHICLE INFRASTRUCTURE PLAN PROJECT 22-E5

DUE DATE: 11:00 AM, Wednesday, December 21, 2022

The City of Bloomington is seeking proposals from qualified individuals, firms, partnerships, and corporations having specific experience in the area(s) of planning and engineering consulting services for electric vehicles, electric vehicle charging infrastructure planning and design, Minnesota municipal government, and long-term planning in the State of Minnesota, and interested in providing these consulting services to the City.

Bid documents are available for preview and download using the online Bidding System at <https://bloomingtonmn.bidsandtenders.net>.

Please contact Bids &Tenders support at support@bidsandtenders.ca with any technical issues.

Bid documents are available for viewing with a “preview” watermark. Interested parties must create a Bids and Tenders account in order to submit proposal documents. Documents are not provided or received in any other manner.

Oral, facsimile, email, hard copy, or telephone Proposals are considered invalid and will not receive consideration.

CITY OF BLOOMINGTON

Julie M. Long, P.E.
City Engineer
