### Witness Information:

Name CRAFT, LAURIE ANN	Sex F
---------------------------	----------

On 07/14/2023 I, Officer Wegner, was dispatched to a call in regards to an accident that occurred at the intersection of 90th St and Nicollet Ave. Upon arrival I observed the two vehicles involved. Both vehicles had airbags deployed and were obviously disabled.

I made contact with the driver of Unit 2, Shatto, who advised that he was traveling westbound on 90th St, with the right away and green light for the intersection, when the driver of Unit 1, Monari, turned into them causing the accident.

I made contact with Monari, who stated that he was the driver of the vehicle, and that he only had an instruction permit. He was with a friend, Clinton, who does not have a license. Monari stated that he was traveling eastbound on 90th St and was going to turn northbound onto Nicollet Ave. Monari advised his light was green, but there was no arrow indicating his right of way. Monari turned into Shatto.

An unbiased witness who was behind Monari, advised that the light was green, and that they did not have a turn arrow. Monari was cited for violation of instruction permit as well as fail to yield the right of way, #270123204403.

The passenger of Monari's vehicle, Clinton, stated that he thought Monari might have been looking at his phone at the time of the accident. No further witnesses came forward. No video of the crash is available. No further information at this time.
