On 7/23/23 at 1537 hours I, Officer Fahey was dispatched to the area of 98th Str. and Hwy 35W for a vehicle accident with possible injuries.

Upon arrival, I spoke to the victim Alexandra Lee Fluharty who advised the other vehicle involved, left the area without attempting to exchange information.

Fluharty provided the following information.

Fluharty was on the ramp from north bound Hwy 35W. She stated, she had a green light and was turning westbound onto 98th Str.

Fluharty said, she did not go immediately when the light turned green but said it was definitely still green when she entered the intersection.

As Fluharty pulled into the intersection, a vehicle traveling eastbound on 98th Str. impacted her driver's side at the driver and rear (driver's side) passenger door.

The airbags were deployed at this time.

The suspect vehicle, which Fluharty described as a newer model Nissan (possibly an Altima or Ultra) sedan, bronze in color with chrome rims, stopped briefly on the south side of 98th Str. but then left the area northbound on Lyndale Ave. without attempting to exchange information.

Fluharty stated, the suspect vehicle had significant damage to the front end and the bumper was hanging off.

Officers checked the area and were unable to locate the suspect vehicle.

No suspect license plate or driver information was obtained by Fluharty.

Fluharty advised, she is 18 weeks pregnant and she was checked out by Allina on scene as a precaution (run number 232220809).

State crash report completed.

Photos taken of victim vehicle and uploaded to Axon.

No further information at this time.

On 07/24/2023 I was dispatched to a 3 vehicle crash at the intersection of 90th St & Portland ave S. Upon arrival I spoke with the driver of Unit 1 (CDF893). He told me he accidentally rear-ended the guy in front of him. He noted that he was not paying attention, looking to his left, then ran into the vehicle in front of him.

Checks on the driver of Unit 1 showed he had a learners permit, not a valid drivers license. His passenger also only had a provisional license.

Driver of unit 2 (JAC520) said that he was rear ended, when he was rear ended he proceeded to rear end Unit 3 (DVP297).

Driver of Unit 2 complained of minor head injuries and requested to be seen by Paramedics. Driver was cleared by paramedics and advised if his symptoms change to seek help immediately.

Driver of Unit 3 was uninjured and was at a complete stop at a 4 way intersection. intersection was undergoing construction and had 4 large stop signs in place of traffic lights. Construction was on the curb of the road.

All three vehicles were traveling eastbound on 90th St.

Driver of Unit 1 was cited for violation of learners permit rules (27012324623).

All three vehicles were drivable.

All three drivers were cleared from the scene.

On 7/26/23 at 1455 hours I, Officer Fahey was dispatched to the area of Lyndale Ave. S. and 94th Str. for a hit and run that had just occurred.

Upon arrival, I met with victim/reporting party Nassra Mohsin who advised the following.

According to Mohsin, she was stopped at a red light in the left lane of northbound Lyndale Ave. S. in her white Toyota Corolla MN/REG GEH303 when a gray Honda CRV rear ended her.

The vehicle pulled into the parking lot of MIDAS at 9211 Lyndale Ave. the male got out of his vehicle and asked if Mohsin was ok.

According to Mohsin, the male stated, "I only have a permit, don't call 911" and "let's go back to my apartment and we can say my mom was driving".

Mohsin told the male no and if he did not provide insurance she would call 911.

At this point the male got back in his vehicle and fled the scene without swapping information.

Mohsin captured a photo of the suspect vehicle's license plate of MN/REG KRZ516.

Mohsin described the suspect as young Somalian male (approx. 16 years old), approximately 5'6", short afro, wearing black pants and a black shirt.

The vehicle registers to ABDULAH, FARHIYA MOHAMED at 9320 Lyndale Ave. S. Apt. 214.

Officers attempted to make contact at the address but no one answered.

MIDAS confirmed they would have video available.

State crash completed.

Photos taken of Mohsin's vehicle and the one she took of suspect vehicle were uploaded to Axon.

Veh 1 SB France north of 90th. Veh 1 swerved into Veh 2 causing minor damage to passenger side. Veh 1 then swerved and went through a fence at Kindercare causing substantial damage. Unknown why Veh 1 swerved. Veh 1 driver at fault for causing the crash. Veh 1 driver was confrontational with Police. Showed signs of possibly doing a "whipit" but unable to confirm as CO2 leaves the blood stream incredibly fast.
