On 07/30/2023 at 1700 hours Officers were dispatched to a crash at the intersection of 12th Ave S and 82nd St E.

Reports indicated that the vehicle had crashed into a powerline pole.

Upon arrival Officers could see a 2006 Lincoln Navigator (NRX121) ran into a powerline pole.

Vehicle had heavy front end damage and had snapped the post for the powerline.

Post was only being held up by the vehicle still being stuck against the pole.

Driver of the vehicle was identified as Smith, Nicholas Jeffrey (06/16/1982).

Smith said he was going Southbound on 12th Ave when a black dodge ran the Stop Sign going Eastbound on 82nd St. He said he had to swerve to avoid getting hit and in doing so he ran into the pole.

He stated he was going 30mph in a 35mph zone.

He could only describe the vehicle as being a black dodge. No information on drive, model, or license plate.

Seatbelt was worn.

While speaking with Smith a neighbor came out saying he lived at 8200 12th Ave S and had camera footage of the whole incident.

In footage provided by Ayelomi a black vehicle can be seen running the Stop Sign and once Smith crashed, flees the scene.

Hit and Run Property Damage crash:

On Friday 8-4-2023, I Officer Koosmann responded to take a report of a hit and run crash (occupied vehicle / suspect plate given) that occurred on 90th Street West at Lyndale at about 1136 hours.

The suspect vehicle was not located.

I made contact with the RP / Victim Theodore Weidman and his wife Lorelei Weidman where they had parked on Aldrich and 90th.

The Weidman's vehicle was a red 2020 Ford Escape with MN plates KEL043 registered to Theodore.

I observed and photographed damage to the Ford Escape. Scrapes and light blue paint transfer on the left rear bumper and side panel behind the rear wheel. (Uploaded to Axon under BP23008294). The vehicle was drivable.

Theodore Weidman explained that he was the driver and his wife was the front seat passenger. He said that he was facing west at a red light at Lyndale, stopped in traffic. He was in the left lane to continue west on 90th street. He said that the other vehicle was trying to get from behind him and into the the left / southbound turn lane to go south on Lyndale. He said that the other vehicle hit his left rear side with it's right front side as it misjudged how much room it had to get over striking his vehicle at a slow speed. He and his wife observed a female driver who looked at them with wide eyes. They described the suspect female as black or possibly Hispanic with black hair pulled into a pony tail. They wrote down the rear license plate as KAH547 and observed the vehicle drive south on Lyndale making no attempt to stop and exchange information with them. They could only describe the vehicle as a newer vehicle that was small and light blue in color.

The suspect vehicle plate (KAH547) registers to Jorge Villegas Villarroel to a 2014 Nissan Versa, blue out of Minneapolis.

A state Crash Report also completed because a suspect plate was provided.

Forward to Traffic Investigations.
