-------------------------------------	----------

On 8-16-23 at approximately 1718 hours, Unit #1 stopped at the stop sign at the NW corner of W. 106th St. and Sheridan Ave. S.

The driver of Unit #1 stated that she looked both ways and saw no vehicles immediately nearby in either direction of W. 106th St. and proceeded through the intersection to go SB on Sheridan Ave. S.

Just over halfway through the intersection, the front passenger corner/side of Unit #1 collided with the front drivers side of Unit #2.

Unit #1 proceeded SE and up into the boulevard/yard of 10601 Sheridan Ave. S. and Unit #2 continued in a SSE direction up on to the SE curb of 106/Sheridan, striking a stop sign, finally coming to rest in the front yard of 10601 Sheridan Ave. S.

The driver and passenger of Unit #1 exited the vehicle to assess the condition of the driver of Unit #2. After making contact with the driver of Unit #2, they observed that all front and curtain airbags inside Unit #2 had deployed. The passenger of Unit #1 was able to eventually ascertain that the driver of Unit #2 was complaining of chest pains and difficulty breathing. Another call to 911 was placed to relay this information at which point fire and medic personnel were dispatched to assist.

While waiting for emergency personnel to arrive, the passenger of Unit #1 attempted to open the drivers side door of Unit #2 but was unable to open it due to the damage. In an attempt to provide fresh air to the driver of Unit #2, the passenger of Unit #1 broke out the rear passenger side window of Unit #2 sustaining minor abrasions to his right hand. His hand was cleaned and wrapped by medics upon their arrival but he was not transported.

Upon arrival, fire personnel utilized hydraulic cutters and spreaders to extricate the driver of Unit #1, after which they assisted medics in stabilizing her neck with a cervical collar and removing her from the vehicle on a back board. She was then transferred onto the medics' stretcher and was transported to Hennepin County Medical Center (HCMC) for further evaluation and treatment (Allina Run #232235951).

After fire and medic personnel had cleared, Chief's Towing responded to tow both vehicles due to disabling damage. It should be noted that one of the Chief's Towing drivers was able to hook a chain onto the stop sign and bend it up enough that it was visible to NB traffic on Sheridan Ave. S. until a new sign can be erected.

**Preliminary Statement:**

On 08-16-23 at approximately 21:05 hours, I was dispatched to the intersection of 34th and 494 on a report of a hit and run.

**Officer Observations/Actions:**

Upon arrival I made contact with the reporting party, Mcnamara (MN:AWA170). He stated that he was driving to work. He was travelling Northbound on 34th Ave S, coming up to 494. He stated that he was going the posted speed limit and had a green light at the intersection.

McNamara stated that the suspect vehicle was travelling south on 34th. The vehicle was coming up to the intersection at 494. 34th Ave S curves to the west at the intersection of 494.

McNamara stated that as he was driving through the intersection the suspect vehicle collided with his. McNamara's vehicle sustained heavy damage to the passenger side rear quarter panel. The suspect vehicle sustained damage to the front.

McNamara stated that after the incident the female driver of the suspect vehicle walked out of the car. She approached McNamara and told him to park near the intersection so they could exchange information. The female then left the scene without exchanging the information.

McNamara stated that the suspect vehicle was a black or dark blue Volkswagen Jetta.

I located a small piece of the suspect's vehicle's front bumper at the intersection where the incident took place. I saw a Nissan logo on the broken off piece of bumper. McNamara also stated that the suspect's vehicle airbags were deployed.

At approximately 22:15 hotel staff at Hyatt Place (7800 International)-- Staff stated that they located a vehicle in their parking lot. The vehicle was a dark blue sedan parked on the west side of their lot. It had front end damage with part of the bumper missing. The airbags inside the vehicle were also deployed. The vehicle was unoccupied.

**Suspect/Suspect Vehicle Information:**

WI:327YNX registers to Schuna Amanda Patricia (DOB: 06-29-1995).

The vehicle felt cold to the touch and the doors were locked. McNamara was vague in his description of the suspect vehicle and was not able to provide me with much information. Due to this reason I did not tow the vehicle.

I checked in with the hotel staff and they did not have a Schuna registered to a room. Hotel management was not able to see if there were any rooms associated with the suspect vehicle license plate.

I took multiple photographs of both vehicles as well as the broken off piece of the suspect's vehicle bumper. I uploaded the photographs into evidence via Axon Capture.

I completed a state crash report and submitted it along with my report.

I went through the parking lot later in the night and the vehicle was no longer there.

Update: On 08/17/2023, I was able to speak with Veh 1 driver, Amanda, who stated she pulled into the hotel and waited. It should be noted that the hotel lot is no where near where the crash occurred. Based on the initial statement, I believe that Veh 1 is at fault for running the red light. There was no digital collectable evidence at the intersection.

Vehicle #1 was pulled up front bumper to rear bumper of vehicle #2.  
Vehicle #2 was parked unoccupied in a parking space outside 704 West 87th Street.  
Vehicle #1 was attempting to put the vehicle in reverse to back into a handicap stall.  
Vehicle #1 driver advised the handicap lever fell to the floor and his vehicle went forward and hit the rear of parked vehicle #2.  
Vehicle #1 driver stated he got startled and hit the gas causing vehicle #2 to be pushed out onto the southbound lanes of Lyndale Avenue.  
Vehicle #2 was pushed onto Lyndale Avenue, hit the curb, and turned into the drivers side door area of vehicle #3.  
Vehicle #3 was southbound Lyndale Avenue in the curb lane at the time of contact with vehicle #2.

At-Fault-Driver/vehicle is that of #1.

Driver of #1 advised he just had his handicap gear installed in his van and believes it was faulty.

Vehicle #1 appeared to be minor front end bumper damage.

Vehicle #2 appeared to be heavy rear, front, and driver side damage with a gas leak - Towed by Chief's Towing.

Vehicle #3 had moderate damage to the drivers side, but was drivable.

Vehicle #2 had let insurance lapse, but it was parked legally in a private lot and not required to have proof.

MICHAELA VIRGINIA ANNE CLUBB - 03/30/1989 - was present as the wife of vehicle #2's owner. Her #612-800-4802

Photos taken and uploaded via axon.
