Preliminary Information

On 08/24/2023 at approximately 2237 hours, officers were dispatched to the intersection of 78th St/France Ave S for a report of an injury accident involving two vehicles. Dispatch advised one male involved was requesting an ambulance and appeared in shock.

Officer Actions/Observations

Upon arrival, I located two vehicles in the intersection that had extensive damage and air bags were deployed. The vehicles were FL/AF76Gb (Ford Ecosport) and FL/AF39HS (Nissan Murano). Both of the vehicles were rentals through Hertz. By the time I arrived on scene, all occupants were out of their vehicles and standing on the median.

I checked on the driver of the Murano first who appeared to be in shock. He was unable to provide a lot of information and was requesting an ambulance. I observed his lip to be swollen and it looked like his nose had been bleeding. I was able to identify the driver by his Minnesota drivers license as Hassan Mohamed Farah. Officers were unable to locate any insurance information on the rental agreement or Farah's personal insurance.

Farah also had a valid Hennepin County Permit to Carry in his wallet. The IDN on the permit is W173248362211. Officers located the firearm in his waistband. The firearm is a M & P 9 Shield Plus (Serial # JRM9276). This was rendered safe and taken to BPD and inventoried for safe keeping.

Farah stated he exited off of westbound 494 to France Ave S and had a green light to continue westbound across France Ave S. As he entered the intersection he was struck by another vehicle. Allina eventually arrived on scene and he was transported to Hennepin County Medical Center (Run # 232241234).

I then made contact with the driver of the second vehicle, Michael H. Wipf. Wipf admitted to going through a red light and striking Farah's vehicle. According to Wipf, he was traveling southbound on France Ave S and was trying to determine if he was going to turn right onto 78th St S or continue to 494. He said he lost track of the light and at one point his wife tried alerting him there was a red light but it was too late. He struck Farah's vehicle in the middle of the intersection causing disabling damage to both vehicles. Wipf provided his insurance which is through USAA. The policy number is 0034804167102.

The passenger in Wipf's vehicle was his wife Jane Louise Wipf. Jane also admitted Michael drove through a red light and struck Farah's vehicle.

Chief's Towing was requested for both vehicles and towed to their lot.

Photos of the damage were taken by Officer Blaine and uploaded using Axon Capture.

I issued and explained citation 270123205226 to Michael for failure to obey a traffic control.

I provided a transport to Michael and Jane back to Sheraton where they are currently staying.

Disposition

State Accident Report completed.

Farah transported by Allina to HCMC for minor injuries.

Both vehicles towed by Chief's Towing.

Citation issued to Michael.

Firearm entered into evidence for safe keeping.

End of report.
