On 08/25/2023 at 1645 hours I was dispatched to the Mall of America parking ramp on a report of a hit and run. Vehicle was located in the P3 West Isle D row 10.

Upon arrival I met with Driver on Unit 1 (GAS562)

Mall security told me that Unit 1 had been parked in the ramp and at 1330 hours a 2005 Maroon GMC Yukon backed into their truck. License plate on the GMC is (MTR221)(Unit 2).

Only damage left on the Truck was a small dent to the driver side front bumper.

Mall security has footage of the incident and a request has been submit.

To the driver of Unit 1's knowledge there was not attempt to leave behind any information.

Photos of damage were taken and uploaded to evidence.com.

No additional information at this time.

Spoke with owner of MTR221 who stated his wife Carolyn Fishback was driving during the incident and knew she made contact with the other vehicle, but believed because of the light contact there wouldnt be any damage. No damage to MTR221. Info obtained and exchanged.

Unit 2 was traveling SB on Normandale Blvd south of 84th St W at approximately 0030 hours.

This stretch of roadway was under construction and had adjusted lanes and construction cones directing traffic away from the construction site. NB and SB lanes were separated by construction stanchions.

The driver of unit 2 stated he saw unit 1 approaching him head on, driving NB, in the SB lanes.

Driver of unit 2 stated he flashed his high beams at unit 1, which he said appeared to be going at a high rate of speed.

Due to the construction, stanchions, and concrete barriers on the west side of the lane, there was not a good way for unit 2 to swerve out of the way of the oncoming unit 1.

A front to front collision occurred.

Both drivers were evaluated by EMS on scene. Neither were transported.

Driver of unit 1 was evaluated for DWI and arrested. She later had a reading of .165 BAC on the DMT at the BPD station.

The driver of unit 1 was later transported by officers to HCMC where she was evaluated and released, then booked into the Hennepin County Jail for 3rd degree DWI.

Photos were taken of unit 2 on scene.

Unit 1 was traveling eastbound, unit 2 was traveling southbound.

Unit 1 and unit 2 collided in the middle of the intersection. The collision spun unit 2 so that it was facing eastbound, and unit 1 continued a short distance down the roadway eastbound. Unit 1 had damage to the front driver's side, but was still drivable. Unit 2 had heavy damage to the front of the vehicle.

A witness nearby came out of his house upon hearing the crash.

The witness told me that he believed that the passenger was the driver of unit 2 and not the driver.

The driver of unit 2 also said that was the case.

the passenger denied driving and was adamant that the driver had been driving. the driver stated the same, and added that they were likely confused because she had to exit through the passenger door as she had trouble getting the driver's door open.

The intersection was not controlled by any stop signs or yield signs. A resident came out nearby and complained that there are a lot of crashes at the intersection.

Opening Statement

I was dispatched to a hit and run accident that occurred in the Holiday Gas Station parking lot (8920 Penn Av S) at approximately 0903 hours on 08/30/2023.

Dispatch advised that the suspect drove to the Burger King parking lot and exited the vehicle starting to walk away.

The suspect was described as wearing a bright yellow shirt.

Officer Actions/Observations

Upon arrival I met with both parties standing in the Burger King lot.

The suspect vehicle was a 2015 blue Jeep Cherokee bearing MN Lic JAS553. The driver was identified verbally as Jose Armando Garcia-Miranda DOB 05/04/1997. Garcia-Miranda stated he was driving the Jeep and did not have any identification. Garcia-Miranda does not have a drivers license or insurance for the vehicle. Garcia-Miranda stated he never hit the victims car.

I observed some minor scratches on the front passenger side of Garcia-Mirandas' vehicle. Garcia-Miranda denied hitting the victim's vehicle.

I identified the victim as Ross Allen Kiehl DOB 04/22/1959. Kiehl owns the vehicle that was hit, 1997 Green Pontiac Firebird bearing MN Collector Plate 97FTA. Kiehl pulled into Holiday and parked on the east side of the building and ran into the store. He did not see Garcia-Miranda hit his vehicle, but thought it was him as he saw Garcia-Miranda pull out of the space next to him and drive off. Kiehl followed Garcia-Miranda to the Burger King lot. Once in the lot, Kiehl stated that Garcia-Miranda got out of the vehicle and started to walk away.

I spoke with Garcia-Miranda and he denied hitting Kiehls vehicle. Garcia-Miranda drove out of the Holiday lot and crossed 90th St W (public roadway) and then into the Burger King lot. I observed fresh moderate damage on Kiehl's vehicle on the rear drivers side.

I reviewed surveillance footage from Holiday and observed Garcia-Miranda pull into the space next to where Kiehl had parked. Once in the space, Garcia-Miranda appeared to have backed out an re-adjust. While he was backing, he hit Kiehls vehicle with his passenger side front then drove away quickly. Garcia-Miranda never exited the vehicle in the Holiday lot.

Disposition

Based on the surveillance footage, I am requesting that the Bloomington City Attorney complete a complaint and warrant for the following:

Jose Armando Garcia-Miranda DOB 05/04/1997

169.09.4 Hit and Run - unoccupied

169.797.3 Uninsured vehicle - driver violation

171.02.1(a) No MN DL.

On 08/30/2023 at approximately 1729 hours a hit and run report was called in to Bloomington dispatch that occurred at Bloomington Jefferson High School. At approximately 1937 hours, I Officer Style was dispatched to (7609 85th St) to meet with the reporting party.

Upon my arrival I met with the reporting party which is the owner of unit 2. and his daughter who had driven unit 2 to Jefferson High School.

Unit 2 stated the following:

Unit 2 is a junior at Jefferson High School.

Unit 2 parked the Mazda 5 in the west parking lot near the tennis courts of Jefferson High School.

Unit 2 was notified by Jefferson High School staff member (witness 1) that unit 2's car was hit in the parking lot by another vehicle (unit 1) after school was let out for the day around 1440 hours.

Witness 1 advised unit 2 that has was able to get a picture of the vehicle that caused the accident.

The photograph that witness 1 provided showed a vehicle bearing Minnesota Registration (805-XUY).

The vehicle bearing Minnesota Registration (805-XUY) is a 2001 Honda CR-V.

Witness 1 advised the Honda attempted to reverse of the parking stall next to unit 2's car and side swiped her vehicle on the driver side. The scratch started at the rear driver side door and continued to the rear driver side wheel well of unit 2's vehicle.

The paint left on unit 2's vehicle matches the paint color of the Honda CR-V (unit 1).

Witness 1 advised that he observed the Honda CR-V (unit 1) reverse in the parking stall next to unit 2's vehicle, make contact with unit 2's vehicle pull forward to adjust then completely reverse out of the parking stall and drive away.

Unit 2 advised me that one of her friends (witness 2) observed a female driving the Honda CR-V during the accident and witness 2 identified the female driver.

On 09/01/2023 at approximately 0256 hours, I Officer Style was dispatched to an accident at 5503 Auto Club Road from a BMW emergency crash notification service of a gray BMW 430I7.

While in route to the accident a garbage truck driver called in the accident and remained on scene until I arrived.

Upon my arrival on scene I located unit 1 that had struck the cement retaining wall and tree outside the 5503 Auto Club Road residence.

It appeared that the driver of unit 1 had lost control of unit 1 while traveling around the curve from southbound Normandale Blvd onto westbound on Auto Club Road.

The tire marks indicate that unit 1 jumped the curb travelled through the tree line and the driver attempted to correct himself back onto westbound Auto Club, but could not correct in time to avoid striking the cement retaining wall and tree in the front yard of 5503 Auto Club Road.

Unit 1 had severe front end damage and airbags being deployed indicate the vehicle was travelling at a high rate of speed.

There was no one inside unit 1 upon my arrival.

The garbage truck driver did not witness the accident, but observed unit 1 crashed while on his garbage route and called it in.

The garbage truck driver never saw anyone leave the scene of the accident or in the area of the accident when he first came upon the vehicle.

The crashed vehicle was bearing a Minnesota temporary registration tag number: (02176382).

The Minnesota temporary tag came back to a male out of (1902 S 11th St in Omaha Nebraska).

The vehicle was towed from the scene by Chiefs Towing.
