On 09/01/2023 at approximately 0256 hours, I Officer Style was dispatched to an accident at 5503 Auto Club Road from a BMW emergency crash notification service of a gray BMW 430I7.

While in route to the accident a garbage truck driver called in the accident and remained on scene until I arrived.

Upon my arrival on scene I located unit 1 that had struck the cement retaining wall and tree outside the 5503 Auto Club Road residence.

It appeared that the driver of unit 1 had lost control of unit 1 while traveling around the curve from southbound Normandale Blvd onto westbound on Auto Club Road.

The tire marks indicate that unit 1 jumped the curb travelled through the tree line and the driver attempted to correct himself back onto westbound Auto Club, but could not correct in time to avoid striking the cement retaining wall and tree in the front yard of 5503 Auto Club Road.

Unit 1 had severe front end damage and airbags being deployed indicate the vehicle was travelling at a high rate of speed.

There was no one inside unit 1 upon my arrival.

The garbage truck driver did not witness the accident, but observed unit 1 crashed while on his garbage route and called it in.

The garbage truck driver never saw anyone leave the scene of the accident or in the area of the accident when he first came upon the vehicle.

The crashed vehicle was bearing a Minnesota temporary registration tag number: (02176382).

The Minnesota temporary tag came back to a male out of (1902 S 11th St in Omaha Nebraska).

The vehicle was towed from the scene by Chiefs Towing.

On 9/2/23 at 2250 hours, officers were dispatched to 9425 Oakland Ave on a car vs. house crash. Upon arrival, officers discovered the lone occupant fled on foot from the crash site. All occupants of the home were uninjured. Officers searched the area and numerous addresses, but didn't locate the driver of Unit 1. Unit 1 was southbound Park Ave, left the roadway at a high rate of speed, crashed into (and through) the garage at 9416 Park Ave, through the back yard and fence of the same address, and then through the fence at 9417 Oakland Ave. It continued through the back yard of 9425 Oakland and crashed into the back of the house.

#310 update. Based on Officer reports, it is believed that Fernando Diaz Salcedo was driving at the time of the crash. He was believed to be hiding in another family members home whom were uncooperative with police. He does not have a drivers license and was most likely intoxicated at the time of the crash and also when he fled from the vehicle. I was able to confirm insurance through State Farm.

Driver one stated that he was traveling westbound on 98th St West when he went through the intersection at Collegeview Rd and hit driver two on the rear driver's side of the vehicle.

Driver one stated he thought he had a green light but had the sunlight in his eyes and was not 100% sure.

Driver one stated he had some pain in his left wrist and did not want to get checked out by Allina.

Driver two stated he was southbound on Collegeview Rd waiting to take a left and head eastbound on 98th St.

When driver two went to take a left he was hit by driver one traveling westbound.

Driver two stated he had ringing in his ear and was checked out by Allina.

Driver two advised he was fine and wanted to go home.

Both vehicles were towed to Chief's.
