Unit 1 was traveling westbound in the left lane and Unit 2 was traveling in the right lane of westbound Old Shakopee Rd W just prior to the intersection of Nesbitt Av S. Unit 2 said that Unit 1 began to enter her lane and she honked her horn to try and warn unit 1, but Unit 1 entered her lane and side swiped her vehicle. Unit 1 would not pull over and continued driving down the road until State Patrol and other officers were able to stop it. Unit 1 driver and passenger thought that Unit 2 entered their lane. They also didn't think Unit 2 wanted to stop and they were listening to the Vikings game and were not sure if there was damage or not. State patrol also advised that it took some time to pull over Unit 1. Unit 1 was advised that when an accident occurs they are required to pull over and exchange information.

Photographs were taken of the damage. Unit 1 said some of the damage on the passenger side was from a prior accident. Driver exam recommended.
