On 01/11/2024 at approximately 1635 hours, I Officer #393 was dispatched to a personal injury accident involving one vehicle at Snips Salon Spa at (5147 98th St W).

Upon my arrival I observed that unit 1 had impacted the store front of Normandale Village and due to the impact of unit 1's vehicle the brick wall was pushed into the interior walkway of the strip mall.

Due to the impact of unit 1's vehicle two large picture windows above the brick wall were broken as well.

I made contact with the driver of unit 1 and she advised me that she was pulling into the parking stall outside Snips Salon Spa and believed that her vehicle's brakes had failed forcing her car to jump the curb and crash into the store front.

However, for unit 1 to have enough force to drive over a curb, clear a ten-foot-wide sidewalk and have enough momentum to impact the store front in order to partially drive through a brick wall, unit 1 must have mistaken the accelerator for the brake pedal.

Unit 1 advised me that she strongly believes that she hit the brake instead of the accelerator in her vehicle.

Unit 1 had no visible injuries and declined paramedics on scene.

While talking with unit 1 she displayed no signs of impairment.

When Chiefs towing arrived on scene the tow truck driver was able to move the vehicle from the store front and apply the brakes without issue.

Due to the facts and circumstances, I believe that the driver of unit 1 applied the accelerator instead of the brakes and should have a driver's exam completed.

Preliminary Statement:

On 01-12-2024 at approximately 12:35 hours, I was dispatched to 98th Street and Nicollet Ave on a report of a hit and run.

Officer Observations/Actions:

While en-route to the scene I made phone contact with the reporting party, Hart, Charles Yaegar. He stated that he was side swiped at the intersection of 98th and Nicollet Ave by a silver Mercedes sedan (MN: GKY227). The vehicle registers to, Rivera, Ricardo (10225 LYNDAL AVE S, Bloomington).

Officers were not able to locate the vehicle at the residence.

A short time later I met with Hart at the Bloomington Police Department. He stated that he was travelling west on 98th street coming up to Portland. Hart stated that the stop light at 98th and Portland was not operational but the red light was flashing. He stated he saw the Mercedes going at a high rate of speed behind him. As Hart stopped at the intersection the driver of the Mercedes went around him and other vehicles without stopping at the intersection.

Hart stated that the suspect vehicle stopped at a red light on 98th and Nicollet Ave. Hart stated he was in the left lane also stopped at the red light. The suspect vehicle was right next him in the right lane. Hart stated that all of the sudden the driver of the Mercedes cut through the middle side swiping his vehicle. The driver then sped off at a high rate of speed west on 98th street.

Hart's vehicle had minor damage to his right side mirror.
