On 12/28/2023 at approximately 0849 hours, I Officer Style was on routine patrol driving westbound on 98th St W approaching the bridge to 35W.

As I was crossing over the 35W bridge I observed an accident in the eastbound lanes of 98th St W in the intersection of 98th St W and East Bloomington Freeway.

I turned around and went out with the two vehicles involved in the accident.

Unit 1 was bearing Minnesota registration (EAF-102) and unit 2 was bearing Minnesota registration (KFW-675).

After speaking with the drivers of both units it was determined that unit 1 was traveling eastbound on 98th St W approaching the East Bloomington Freeway intersection. The traffic signal device turned red for eastbound traffic on 98th St W.

Unit 1 ran through the red light at 98th St W and East Bloomington Freeway and collided with unit 2 on the front driver side.

The driver of unit 1 was seen by Burnsville Fire Department (BFD) paramedics and even though she was medically cleared by paramedics she advised that she wanted to go to the hospital.

BFD transported the driver of unit 1 to Ridges Hospital.

BFD run number is as follows (223009472).

On 12/29/2023 at approximately 0751 hours, I, Officer Miller was dispatched to the intersection of Normandale Blvd and Southwood Drive for a report of a three car accident.

Upon arrival I observed two vehicles with heavy damage but did not see the third vehicle that was involved.

I spoke with Witness #1 right away who was traveling behind everyone involved in the crash. She stated she saw Unit #2 traveling Northbound on Normandale Blvd in the right lane then merge into the left lane last minute cutting off Unit #1, causing Unit #1 to rear end Unit #2. As a result of the rear end collision, Unit #2 was then sent into the turn lane intersection and hit Unit #3 on the front driver's side, who was traveling Southbound on Normandale Blvd. Unit #2 was left disabled and on the center median where it also struck a lane merge city sign. Due to the impact from Unit #2, Unit #3 was sent over the curb on the West side of Normandale Blvd and onto the grass disabling Unit #3. Unit #1 was able to pull off and park on Southwood Drive with minor front end damage. Unit #2 was fully disabled with the driver's airbag deployed. Unit #3 was fully disabled with the driver and side airbags deployed. Minor injuries to the driver of Unit #2 and Unit #3, but both declined medical attention.

Witness #2 gave the same statement as Witness #1 and advised that they had a dash camera that caught everything leading up to the crash. The series of events and storyline of everyone involved in the crash all matched. Chief's Towing towed Unit #2 to their lot, and Unit #3 was towed to a business shop in St. Paul.

Unit #2 stated that as she was traveling Northbound on Normandale Blvd, the turn she needed to make came up quicker than expected (Southwood Drive). Unit #2 then merged over to the left lane but did not see Unit #1 due to Unit #2 stating Unit #1 was in her blind spot. Unit #1 attempted to brake, but slid due to the roads being frosty which caused Unit #1 to rear end Unit #2.

All drivers had valid licenses and insurance. Photos were taken of the scene and uploaded to EVIDENCE.com. There were no reported injuries.
