Architectural and Engineering Services – Community Health and Wellness Center

PROJECT 24-02

DUE DATE: 11:00 AM, THURSDAY, MARCH 07, 2024

The City of Bloomington is seeking proposals for professional architectural and engineering (“AE”) services for a new Community Health and Wellness Center Project (“Project”). The selected firm will work with the City’s Community Health and Wellness Center Project Team, comprised of City staff and stakeholders, Feasibility Consultant, and a Construction Management firm to provide schematic design, design development, construction documents and construction administration services for a new facility at 9801 Penn Ave. in the City of Bloomington. The City intends to use a Construction Manager Agency (“CMA”) construction process. The City intends to issue an RFP for CMA services following the selection of the AE. Please see the two attachments to the RFP.

RFP documents are available for preview and download using the online RFP System at <https://bloomingtonmn.bidsandtenders.net>.

Please contact Bids&Tenders support at support@bidsandtenders.ca with any technical issues.

RFP documents are available for viewing with a “preview” watermark. Interested parties must create a Bids and Tenders account in order to submit proposal documents. Documents are not provided or received in any other manner.

Oral, facsimile, email, hard copy, or telephone Proposals are considered invalid and will not receive consideration.
