

**REQUEST FOR QUALIFICATIONS
HEARING OFFICER SERVICES PANEL**

I. INTRODUCTION

The City of Bloomington (“City”) is soliciting Responses from qualified individuals to provide independent hearing officer services (“Services”). To establish such a "Hearing Officer Services Panel," the City is seeking Responses from individual attorneys and law firms qualified and experienced in providing such legal services pursuant to Bloomington City Code Section 1.17(a). Violations of 50+ City Code sections can be appealed to a hearing officer, ranging from special assessment hearings to nuisance abatements to earned sick and safe time, and employment hearings.

In responding to this RFQ, it is understood by all Contractors that the City reserves the right to select any or all Contractors that the City deems to be in its best interest. The City reserves the right to negotiate pertinent contract terms simultaneously with any number of firms or individual attorneys and law firms qualified and experienced in providing such Services.

II. GENERAL INSTRUCTIONS/RESPONSE CONTENT:

1. **LENGTH OF THE CONTRACT** - In general, the Services to be performed are for the balance of the 2024 calendar year and may be extended for up to four additional one-year terms at the discretion of the City Attorney and the City Manager. All assignments to each member of the Hearing Officer Services Panel will be at the sole discretion of the City Attorney’s Office (“CAO”) and will be limited to work as a hearing officer as set forth in Chapter 1 of the Bloomington Code of Ordinances.
2. **FEES** - The estimated hourly rate for 2024 is \$175.00/hour. No minimum dollar amount is set per hearing officer. The City will review the hourly rate on an annual basis. The rate in future years will not be less than \$175.00/hour. Responses should acknowledge acceptance of this 2024 rate.
3. **RESPONSE SUBMITTAL** - To allow for easier comparison of Responses during evaluation, the Response format and submittals must be as follows:
 - a) **Admission to the Practice of Law** - State dates of admission and license number of all courts to which Contractor is admitted.
 - b) **Experience and Capacity** - Describe background and experience in the practice of law and administrative hearing processes enabling Contractor to provide the Services. (Limit 250 words per individual.)
 - c) **References** - List of clients for whom the Contractor has performed similar or other related legal services. Include private and public sectors clients in practices areas relevant to the Services.
 - d) **Duties** – A “book” will be provided that includes forms and a related overview of the type of hearings handled by the Hearing Officer.

- e) **Compliance with General Requirements** - Acknowledge the General Conditions and Requirements for Contractors, which is part of this Request for Qualifications (RFQ). The City generally expects that service providers with the City will meet these requirements if they are applicable to the services provided to the City. Note in the application any exceptions to the requirements.
 - f) **Liability Coverage** - Provide a response documenting compliance with required insurance coverage in the Sample Contract. A certificate of insurance may be provided by Responders.
4. **SPECIFIC TASKS** - The duties and responsibilities of a Hearing Officer are the duties and responsibilities set forth in Chapter 1 of the Bloomington City Code of Ordinances. At the discretion of the City Attorney, hearings may be performed on-site at City Hall or remotely using video conferencing software.
 5. **CONFLICTS** – Contractors should acknowledge that a conflicts check has been performed and the Contractors should affirmatively assert that the Contractor can ethically submit the Response.
 6. **DATA PRACTICES.** All materials submitted in response to this RFQ will become property of the City and will become public record in accordance with Minnesota Statutes, section 13.591, after the evaluation process is completed. Pursuant to the statute, completion of the evaluation process occurs when the government entity has completed negotiating the contract with the selected Contractors. If a Contractor submits information in response to this RFQ that it believes to be trade secret materials, as defined by the Minnesota Government Data Practices Act, Minnesota Statutes section 13.37, the Contractor must: clearly mark all trade secret materials in its Response at the time the Response is submitted, include a statement with its Response justifying the trade secret designation for each item, and defend any action seeking release of the materials it believes to be trade secret, and indemnify and hold harmless the City, its agents, officials, and employees, from any judgments or damages awarded against the City in favor of the party requesting the materials, and any and all costs connected with that defense. This indemnification survives the City’s inclusion of the Contractor onto the City’s Panel and the effective date of the required contract. In submitting a Response to this RFQ, the Contractor agrees that this indemnification survives as long as the trade secret materials are in possession of the City.
 7. **SAMPLE CONTRACT** - Response should acknowledge one’s willingness to enter into a contract substantially similar to the attached Sample Contract. Any objection to any terms or conditions must be stated in the Response. Objections will be considered. The City reserves the right to amend the Sample Contract on an as requested basis, as determined in the sole discretion of the City.
