

Addendum # 3

Closing Date: Friday, March 15, 2024 4:00 PM

To

2024 Community Partner Awards

The following clarifications, amendments, additions, revisions, changes and modifications change the original proposal only in the amount and to the extent hereinafter specified in this Addendum.

The following are the answers to questions that were submitted:

1. Thank you for the information. Will the RFP be updated so that funds can be spent during the 24/25 academic year?

All proposed project funds must be spent by October 31, 2024.

2. Could the city be the applicant for this funding? I know we have a few equity-projects in the brainstorming stages... ways to connect our BIPOC residents with city services, etc. Or would we need to have a partner org be the applicant?

A City within Bloomington, Edina, and Richfield (BER) cannot apply for the funding.

CITY OF BLOOMINGTON
