# Nine Mile Creek Corridor Renewal Project Design and Engineering Services

## PROJECT 24-13

**DUE DATE: 11:00 AM, TUESDAY, APRIL 09, 2024**

The City of Bloomington is seeking proposals to study, design, and implement major water and natural resource improvements; access and trail improvements; and park design and facility upgrades for Central and Moir Park as part of the Nine Mile Creek Corridor Renewal Project (“Project”). The City is seeking proposals for pre-design, design, public engagement, construction documents and assistance with construction administration for the Project from qualified consulting firms having specific experience in the following areas:

Civil engineering related to water resources, wetland restoration, stream bank restoration, upland natural area restoration, bridge, retaining walls, boardwalk, parking lots, trail design, landscape architecture and park design. Exploring mountain bike connections to the MN River may also be considered.

RFP documents are available for preview and download using the online RFP System at <https://bloomingtonmn.bidsandtenders.net>.

Please contact Bids&Tenders support at [support@bidsandtenders.ca](mailto:support@bidsandtenders.ca) with any technical issues.

RFP documents are available for viewing with a “preview” watermark. Interested parties must create a Bids and Tenders account in order to submit proposal documents. Documents are not provided or received in any other manner.

Oral, facsimile, email, hard copy, or telephone Proposals are considered invalid and will not receive consideration.
