- V2 first in line waiting at a red light to turn left from eastbound 90th Street to northbound France Ave S in her SUV.
- V1 was a Toro Groundsmaster 5910 multi-blade riding mower with an enclosed cab owned by the City of Bloomington and travelling on public roads between mowing duties at parks. No license plate.
- V1 entered the left turn lane behind V2
- V1 had a hydrostatic transmission which meant it had only one foot pedal and should stop forward motion when the driver stops depressing the foot pedal.
- V1 driver said the Toro kept moving forward after he stopped depressing the foot pedal.
- V1 driver tried depressing the bottom of the foot pedal which should engage reverse, but nothing happened.
- V1 front hit the rear of V2 who was still waiting at the red light to turn left.
- V1 appeared drivable, but it was towed away by city employees for a safety inspection.

Upon arrival I made contact with the reporting party, Hendry, Jatar Martel. He stated that his vehicle, (MN:ZBA985) was parked behind Sports Page on the west side of the lot. He stated that someone hit his vehicle in the parking lot. I saw a couple small scratches to the front passenger side quarter panel.

I then spoke to two witnesses who were on scene when the accident occurred. I spoke to Ovel, Kristin Lindsey and Edwards, Kaylani Elizabeth. They stated that they were out in the back smoking when they saw the accident occur. They said that they saw a black Jeep Cherokee (MN:DXN624) back out of a parkin spot and hit Hendry's car. Ovel stated that she tried flagging the driver down but he continued to drive away from the scene. They could not tell me exactly who the driver was except that it was a male, possibly Hispanic.

#310 update: Located vehicle and identified Driver. Progressive Insurance 978948938. Driver does not have a DL. Driver stated he remembers hitting something.

On 5/14/2024 I was working squad 4864. At approximately 1930 hours I took a phone call from Brooke Emile Reimann, 7/23/2000

Brooke stated on Saturday, 5/11/2024, she was involved in a car crash where she was rear-ended.

Brooke was driving MN LIC EUN007, a 2017 Toyota Rav4. She stated she called the Bloomington non-emergency number but was told police would not be responding.

Brooke stated she was going west on 84th St W and turning right to go north on Highway 100. As traffic slowed down, she was rear-ended by another vehicle driven by the suspect, Elijah Dawaun Anderson, 7/31/2002. Brooke did not know the license plate of the vehicle that struck her, and only got driver's license information for the driver, Elijah, and the passenger, Alondra Dominguez Gavilan, 7/12/1996.

Elijah gave Brooke's insurance information, but Brooke stated her insurance provider told her it was not current.

The insurance card was for Progressive and had Alondra's name on it.

Brooke later was seen by an athletic trainer and told she likely has a concussion.

Photos taken by Brooke were uploaded to Axon, and included the DLs for the suspects, the insurance card given by Elijah, and the damage to Brooke's vehicle.

This report was taken on the phone, there is no BWC video.

Brooke was given a file.

Forward to TIU.

#### #310 Follow-Up

Veh 2 on 84th St W to Normandale Blvd North. Veh 2 was rear ended by Veh 1. Veh 1 (at-fault) does not have current vehicle insurance. Veh 2 driver suffered a slight concussion.

Spoke with Owner of vehicle 1 who was passenger at the time of the crash. This phone call was recorded.
