On August 2, 2024, at approximately 1730 hours, vehicle 1, driven by Mackenzie Ritchie, was traveling westbound Lindstrom when it made a left turn onto southbound Bloomington Ferry Road. Mackenzie said she kept in the left lane and was impacted by vehicle 2, who drove into her lane. Mackenzie said the driver failed to stop and exchange insurance information. It should be noted that Bloomington Ferry Road has two southbound lanes.

Mackenzie called the police to report the incident, stating that a dark-colored Ford Taurus was displaying Minnesota PFP782. Throughout the investigation, it was learned that vehicle 2, driven by Kevin Gutknecht, was traveling eastbound on W98. Kevin turned right onto southbound Bloomington Ferry, failed to stay in the right lane, and drifted into Vehicle 1's left lane. Kevin later told me they did not know they should keep in their lane.

Vehicle 1's front bumper impacted Vehicle 2's driver's side. Vehicle 1 sustained minor damage to its front bumper fascia.

Kevin (vehicle 2) claimed they did not know there was a crash but confirmed the other car was honking its horn at them; they did not stop to exchange insurance information. Kevin claims there is no damage to his car.

Mackenzie (Veh 1) had an in-dash camera that captured the incident; it was uploaded with this case file.

Both drivers denied having any injuries.

I issued a citation for driver #2, Kevin, which will be mailed to them.
