#310 Follow-up

Main Incident Report

On 08/22/2024 at approximately 2154 hours officers were dispatched a hit and run accident that happened in the Walmart parking lot located at 700 E American Blvd.

Dispatch advised us that reporting party (RP) was now waiting in the Walgreens parking lot just west of Walmart.

Upon arrival I met with the RP Ramirez, Rene Arcturus (date of birth (DOB) 01/12/1985) who was waiting in his black Hyundai Sonata, MN/GUJ918, with his daughter Ramirez, Sophia Lynn (DOB 12/09/2013).

RP stated that he was in the Walmart parking lot and was ready to leave. He began backing out and another car directly behind him was also backing out.

The suspect ended up hitting the RP's car scraping the rear driver's side of the car.

The RP attempted to swap insurance information with the suspect but she stated, "Well my bumper is cracked now" indicating that her damage was worse so she wasn't going to give him her insurance information.

The RP went and took a photo of the suspect's license plate IA/LKV091 and when he was getting back in his car, the suspect took off westbound towards the Walgreens parking lot.

Vehicle Info:

Registered owner (RO) - FRATELLINI, PIICAZZII GYPZZII DOB/19761102

2004 Light Blue Honda Accord Sedan

License plate IA/LKV091

The RP called police and starting following the suspect's car.

Dispatch advised him to stop following so he stopped and parked in the Walgreens parking lot.

The RP was unable to tell us the direction of travel because he lost sight of the suspect's vehicle.

The RP described the driver of the vehicle as a 5'0 tall white woman that was heavier set and in her late 40s. She had curly blonde hair. No other identifying descriptors.

I gave the RP the case number and told him that a report would be filed.

Photos were taken of the car damage and he sent me a picture of the suspect's vehicle which will all be uploaded under this file. State crash report completed.

End of Report.

Suspect Insurance - Wawanesa 22719560 Claim#2135248

Insurance demand will be sent to Suspect R/O address. Charges pending after 10 day waiting period.

Around 0249 hours on 8/25/24, a white tow truck with no decals, no front license plate and towing boom raised enters the eastern ramp of the first level of the P1 north ramp.

The driver of the tow truck then drove down the ramp, traveling westbound underground.

The boom or arm of the tow truck on the back of the truck made contact with the ceiling panels as it continued forward.

The boom scraped across the ceiling, which dislodged and removed several panels.

After several panels fell onto the rear of the tow truck the driver of the truck finally stopped.

The driver, then exited the truck, went to the rear of the truck, looked at the debris and removed it.

The driver and sole occupant appeared to be a dark complexion male wearing a dark shirt and dark stocking cap.

The driver then entered the driver's seat of the truck and drove westbound through the ramp exiting the western access onto the mall ring road.

At 0251 hours, the truck exited gate three on Lindau lane and drove eastbound towards 24th Ave. S.

The truck then turns northbound on 24th Ave. S. towards I494 and left the scene.

The tow truck was a Ford brand white truck, with no front license plate several overhead amber lights, extended mirrors and a light bar.

After attempting to review footage to obtain a license plate it was determined that the camera angles, as well as the placement of the rear license plate made it obscured.
