Unit 2 was parked facing southbound and was blocking the right lane of eastbound traffic on scene of a car vs bicycle injury crash. Unit 2 had it's emergency lights on and activated. Remaining traffic on the roadway was forced to bypass the crash in the left lane.

Unit 1 was passing unit 2 and made contact with the rear passenger side bumper causing damage to unit 2. Unit 1 continued down the roadway slowly and appeared that it was stopping, but then continued on several times. Unit 1 stopped when I caught up to it as it entered the 77 southbound entrance ramp from Old Shakopee Rd W.

Unit 1 driver stated that she thought only her mirror hit the vehicle. Unit 1 also claimed that she was looking for a safe place to park and then she was all of a sudden on the entrance ramp of the freeway and wasn't planning on going any further. Unit 1 had damage all down the passenger side of her vehicle. Unit 1 said that this damage was from a fire hydrant she hit previously, but most of the damage appeared consistent with the crash that had just taken place.

Driver #1 was northbound Normandale in the curb lane and stopped at 102nd Street. She advised starting as her light turned green. She stated she caught Ped Deisy out of the corner of her eye in the road. She didn't think she hit Deisy as she never fell to the ground, but Drisy stated she hit her.

Deisy advised she was south on Normandale at 102nd Street on foot. She stated she had the right of way to cross the street and was struck by vehicle #1's driver.

Both had exchanged information and left the scene prior to calling police.

Deisy pointed on a picture taken that she believed she was hit on the north east corner of the intersection, but Driver of vehicle #1 advised it was at the light, which would have been the southeast corner.

Ped Deisy advised of right leg pain. She did not want an ambulance, but may goto urgent care or ER later.

Two car accident. Veh #1 struck the rear of veh #2. Veh #1 then fled without stopping or exchanging information with Driver #2.

Veh #2 was not towed. Driver #1 stated he was not injured and declined an ambulance.

Driver #2 stated: He was westbound on American Blvd W and was taking a right to go northbound on France Ave S. He stopped, because there was a vehicle in front of him. The vehicle in front started to move forward to make the right turn and started to move forward. He was then struck from behind by veh #1. He tried flagging the driver of veh #1 down and merged over to the left. Veh #1 drove past his right side and exited to westbound 494 without stopping. The driver of veh #1 was a White male in his 30's.

I spoke to Driver #1 who stated: He was driving veh #1 westbound on American Blvd W. He was attempting to take a right hand turn to go northbound on France Ave S. Traffic stopped in front of him. He tried to stop, but could not stop in time and struck the vehicle in front of him. Veh #2 kept driving and he was in the lane for exiting to westbound 494. He was unsure what to do.

This accident is not being investigated as a hit and run anymore.
