On 2/5/25 I was dispatched to 84th St / France Ave on a two car crash. Both units required tow. D1 complained about some pain but declined an ambulance. D2 said she was eastbound on 84th going thru the solid green light at France Ave when U1 turned from westbound 84th St to southbound France Ave right in front of her. They collided at an angle nearly head-on. D1 said she thought her light was green (NOTE: if she did not have a protected "green arrow" she would not have the right-of-way to make her turn). She thought she had the green arrow. No witnesses were located.

On 2/7/25 at about 0044 hours, Sergeant Rueda saw U1 southbound Penn Avenue around 94th St at a high rate of speed. By the time he pulled out and went south to catch up, U1 had already crashed at Penn Ave and Old Shakopee Rd (more than eight blocks south - see his report for further).

U1 appeared to have left the roadway when it curved just prior to Old Shakopee Rd. Tire tracks were seen in the snow. U1 struck a traffic light pole, shearing it at the base. The truck was totaled with the engine nearly pushed through the firewall.

D1 was seen getting out of the driver's seat, with no additional occupants. He refused medical treatment on scene, but given the severity of the crash there could be internal injuries. Officer I. Anderson transported him to Fairview Southdale Hospital for evaluation and for a search warrant/legal blood draw. D1 was suspected to be impaired by alcohol on scene.

Insurance was not available at the time of the crash.
