On 02/25/2025 at approximately 0839 hours, Bloomington Police Dispatch advised of a property damage crash involving a school bus and Silverado pickup truck.

I, Officer Stevens #384 responded and located School bus #387 (MN Plate:SB96189 owned by Metropolitan Transportation Network Inc.) parked on 95th street W just East of the intersection of Toledo Ave S and 95th St W. There was debris in the roadway consisting of broken plastic pieces. There was a Gray Silverado parked facing North on Toledo Ave S, just North of 95th St W with moderate damage to the driver front side of the Silverado. Both drivers had exchanged information with no injuries. There were several students on the bus with no injuries (all assessed by Normandale Hills Elementary school nursing staff). I took photographs of the bus, the Silverado and the intersection. There was only minor scratching seen on the driver side front of the school bus. The Silverado driver, Weiler, Kayne Michel DOB:05/02/1975 stated that he was stopped at the stop sign EB 95th St W and Toledo Ave S when the school bus was making the turn from NB Toledo Ave onto EB 95th making contact with the front driver side of his Veh. The school bus driver, Scott, Amanda Sue DOB:05/02/1982 stated to Weiler that she was turning onto 95th St from Toledo Ave and could not see due to the sun and that's why she struck his veh (Silverado). Photographs were taken of the location of the incident as well as both vehicles involved. The photographs were uploaded to Axon Evidence. Both drivers exchanged information. The Silverado needed to be towed due to the damage on the front of the vehicle making contact with the front driver side tire causing it to be inoperable. The crash happened at slow speeds with the Silverado being stopped at the time of the crash. The bus driver drove away from the location.

On 02/27/2025 I, Officer Wegner, was dispatched to an accident at the intersection of American Blvd and Nicollet Ave.

Upon arrival I observed to vehicles blocking westbound traffic of American Blvd, both with heavy damage, with airbags being deployed on at least one vehicle.

I made contact and was advised there were no injuries.

I made contact with the witness, McBride, who advised that he observed the white Sebring (ETG100- Unit1), was in the turn lane to go from Southbound Nicollet Ave, to eastbound American Blvd. McBride said all of a sudden, Unit 1 decided to cut across 2 lanes of traffic to go westbound on American.

Unit 2 was traveling southbound on Nicollet and struck Unit 1 as they were illegally cutting across traffic. Unit 1 was struck on the passenger side.

Driver of Unit 2 said she was driving southbound Nicollet and had the green light, all of a sudden Unit 1 cut across the lanes, she was unable to stop.

Driver of Unit 1 said she was sitting in the turn lane to go eastbound on American, but decided to change directions and go westbound, cutting across the lanes of traffic. She advised the light was green so she thought it would be ok.

Driver of Unit 1, Jackson, was cited for improper lane change.

Both vehicles were towed by Chiefs.

No further information at this time.
