Unit 1 was traveling eastbound 86th St E approaching 12th Ave S. This unit had the right of way. According to the driver of unit 1, he was driving at 30mph as he approached the intersection. Driver of unit 1 admitted he had consumed alcohol prior to driving and had SFSTs conducted on him, revealing a PBT reading of 0.038 BAC.

Driver of unit 2 was driving southbound on 12th Ave S approaching 86th St E. Driver of unit 2 stated he stopped for the stop sign, then proceeded into the intersection when his front passenger side was struck by unit 1, causing him to spin multiple times before his vehicle came to rest in the yard of 8601 12th Ave S.

The driver of unit 2 stated he looked for traffic on 86th St E prior to entering the intersection, and stated that unit 1 did not have its headlights on and must have been traveling at a high rate of speed. Driver of unit 2 was evaluated by Allina EMS and released on scene.

It should be noted that this intersection is very poorly lit with no street lights, which may have caused a vehicle with no lights not to be seen.

Driver of unit 1 complained of chest pain from the area of his seatbelt and was transported to Fairview Southdale Hospital by Allina EMS.

The yard that unit 2 came to rest in, 8601 12th Ave S, was owned by Beryl Joanne Schey, 507-210-2381. There did not appear to be damage to the home, as unit 2 struck a rock in the northwest side of the yard.

Photos of the crash were uploaded to Axon and BWCs were active on the scene.
