Officers were dispatched to a two-vehicle crash at 110th/Hampshire. One party was complaining of ear pain.

Upon arrival, Goar advised that he was EB 110th and did not see a vehicle approaching the intersection traveling NB on Hampshire. Goar claimed he stopped at the stop sign. Goar was inside vehicle 2 with light front-end damage. Goar advised that he accidentally pulled out in front of vehicle 1 as it was turning from NB Hampshire to WB 110th. Goar refused medical attention and was not assessed or transported.

I spoke with Ruiz, who was driving vehicle 1. She stated they were traveling NB Hampshire, made a left turn into 110th, and were impacted by the other vehicle (Goar). Ruiz could not open the driver-side door, possibly due to side damage. She exited the passenger side and was assisted by Allina, run #252616856. They did not transport her to the hospital as she wanted to go to work.

Goar was issued citation #270125202546, failing to yield.

On 4-13-25 at about 1410 I responded to a vehicle crash in the East Parking ramp of the Mall of America located at 8100 24th Ave S in the city of Bloomington. The crash occurred on the speed ramp at about level 4 of the ramp. V2 was traveling SB on the ramp which was uphill. V1 was exiting out of level 4 onto the speed ramp which was downhill. V1 struck V2 on the ramp as it pulled out from level 4. V1 struck V1 in the front passenger side door causing all side curtain airbags to deploy. The front passenger in V2 was trapped in the vehicle and was complaining of injury to her right side (impact side). BFD later extradited her from the vehicle and she was transported to the hospital. D1 stated he was waiting to enter the ramp and was checking both ways, up and down the ramp, before entering. He pulled out and struck V2. D2 stated he was coming up the ramp and was struck by V1 in the passenger side. Photos of the scene were taken. V2 was towed by Chiefs towing due to the damage.
