On 05/21/2025 around 1600 hours, a police Sgt. witnessed a Red BMW SUV drive over the Animal Shelter/Street Sign in the center median on Logan Av S. The BMW then sped off at a high rate of speed after driving over the sign.

On 05/21/2025, Officer located a Red BMW LUZ362 parked in the city hall parking lot. The BMW had fresh damage consistent with the collision with the sign. I received a photo of the vehicle and learned the R/O, Mark Bradley Jacobson, lived on the westside of Bloomington.

At 1530 hours, I checked the address and located the BMW parked in a driveway near 11077 Oregon Cir. I observed the BMW had front end damage along with undercarriage damage from hitting and running over the sign. I made contact with the R/O Jacobson and before I could say anything, he admitted to running over the sign. He stated he got nervous and took off. I obtained his current insurance for the vehicle which is Progressive #977583297.

Called to a report of a stop sign that had been knocked down and was in the roadway. Arrived at Bloomington Ferry Road and Minn Bluffs Drive and found the sign had been moved off the roadway. Appeared a vehicle was southbound on Bloomington Ferry Road and left the roadway to the right as the street curved left at the stop sign. Vehicle continued through the intersection and continued eastbound alongside of Minn Bluffs Drive on the grass. Received a call of a white Mercedes SUV that appeared to have fresh disabling damage at Minn Bluffs Drive and Oregon Avenue South in No Parking zone. Arrived at the vehicle (MN ZND-121) to find front end damage matching hitting a street sign. The vehicle also had right rear wheel damage as the "spokes" were all damaged and the rim of the wheel was supporting the weight of the vehicle on the rotor (but the center lugs and the rim were no longer connected). Nobody in or around the vehicle. Photos taken of the vehicle damage (Minn Bluffs Dr/Oregon Ave S) as well as the sign and boulevard damage (Bloomington Ferry Rd/Minn Bluffs Dr). Registered Owner contacted dispatch asking about his vehicle. Male claimed he simply parked his vehicle in a No Parking zone and was attempting to get a tow, but it had already been towed. Cited for No Parking violation but need to add Hit and Run.
