Join us for four evenings of basketball,
music, food and drinks and prizes.

Play alongside D1 players, officers, community
leaders and members.

We will track the game points as we play a
non-traditional point system game for the
ultimate win until next session to see who
will take the trophy that will be displayed at
the YMCA with the team picture.

The YMCA in partnership with the Edina Police
Department are focused on building strong
communities and meaningful partnerships. The
YMCA is dedicated to youth development,
healthy living and social responsibility.

Also, a special thank you to our community
partners at Hoops for Unity for their support
of this joint effort community program.
