

Energy saving programs and improvements for rental properties

Attract and retain long-term, satisfied tenants by making property improvements that save money and energy.

Income-qualified one-to-four-unit rental properties

Take advantage of a FREE energy review, and we will cover at least 50% of the costs of qualifying weatherization energy conservation measures in your rental properties. Upgrades can include:

- Insulating attics and walls
- Tune-up, repair or replace heating systems
- Replacing water heaters
- Sealing air leaks

PLUS each tenant will receive a FREE DIY energy efficiency kit upon the completion of the building's energy review.

Market-rate and income-qualified five-plus unit rental properties

Qualified energy experts will conduct a FREE audit of your entire building and make suggestions on how to make it more energy efficient. This may include on the spot installation of energy-saving products at no cost to you!

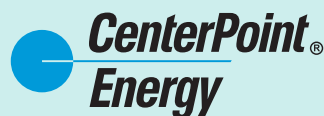

PLUS you can earn bonus rebates on qualifying energy efficient equipment offered through Xcel Energy or CenterPoint Energy.

- 200% Bonus rebates for income-qualified properties
- 30% Bonus rebates for all other properties
