On 07/29/2025 at approximately 1724 hours, I Officer Barnum was dispatched to the intersection of Bush Lake Rd and 106th St W. for a motor vehicle accident.

Upon arrival, I made contact with Unit 1 (NPF713). Unit one stated that they were stopped at the stop sign located at 106th St W. facing west bound at Bush Lake Rd. Unit 1 stated they did not observe any vehicles so they entered the intersection attempting to cross Bush Lake Rd. Upon entering the intersection, Unit 2 (MZW528) made contact with the front drivers side tire and bumper of the vehicle. This resulted in moderate damage that required a tow. Unit 1's front airbags were deployed during the crash. Unit one did not state they were injured during the crash.

Unit 2 stated that they were traveling north on Bush Lake Rd when they approached the intersection of 106th St W. Unit 2 stated that they did not have a stop sign. Upon entering the intersection, unit 1 also entered the intersection. Unit two stated that unit 1 made contact with the front passenger side tire and bumper of their vehicle. Due to this crash, unit 1 had a combination of the front and side airbags being deployed. Unit 2's vehicle required a tow due to disabling damage. Unit 2 requested medical attention and was transported to the hospital for a hand and leg injury.

Both drivers had valid drivers license and insurance.

The weather conditions were clear and the roads were dry.

Veh 1 was traveling westbound on 82nd St from Pillsbury Ave. There were multiple construction cones in the center of the roadway between the eastbound and westbound lanes. It appears the driver may have swerved to avoid the traffic cones when he lost control of the moped. The driver and moped were laid down during the accident. The moped scraped across the roadway and came to rest on the sidewalk. The driver was also thrown off the moped and came to rest on his back, half-on and half-off of the sidewalk.
