On 08/20/2025 at approximately 1725 hours, I, Officer Miller was dispatched to the intersection of 102nd Street and Nicollet Ave for a report of a semi crashed into a utility pole that has been knocked down.

Upon arrival, Bloomington Fire was on scene assessing the damage and checking for live wires on the utility pole. The pole that was struck was on the Northwest corner of the intersection. It was knocked down into the trees near by.

The semi had pulled over on 102nd Street just West of Nicollet Ave.

The driver of Unit #1 was identified via MN DL. Driver stated to have been driving South on Nicollet Ave and stopped at the stop sign at 102nd Street. Attempting to turn right to go Westbound on 102nd Street, there was a vehicle that was traveling East on 102nd Street that did not stop at the four-way stop of the intersection of 102nd Street and Nicollet Ave. Due to that vehicle not stopping at the stop sign, driver of Unit #1 then cut the corner short to avoid hitting that vehicle, causing the rear tire and side of the trailer to strike the light pole.

Driver provided insurance for the semi trailer. Driver did not have the owner of the truck's full info but stated that his name is Dion and his phone number is 218-639-4621.

Due to there being damage to the wheel well and the tire coming off, Chief's Towing was ordered. Once Chief's Towing was on scene, Driver was on the phone with Dion who advised he wanted the Driver to pull off the street and wait for a tire company to come fix the tire and wheel well.

Xcel Energy was on scene adjusting the wires to get the power back to the houses in the area. Scene was made safe and Bloomington Fire left the scene.

Police escorted Driver to a nearby parking lot to park the semi truck while waiting for the tire company.

Driver provided case number and photos of the scene and semi were taken on scene then uploaded via Axon Capture.
