On 08/25/2025 at 1350 hours, I was dispatched to a hit and run accident in the parking lot of Normandale Community College.

I met with the Victim Maxwell James Stoltz DOB 01/12/2007 and his mother Lisa Stoltz in the parking lot. There 2020 Gray GMC Terrain was parked in lot 1 just to the east of the front entrance. Maxwell just finished up with class and returned to his vehicle and observed the rear passenger side was severely damaged from another vehicle. There was no note left or any witnesses in the lot that observed this.

I met with NCC Security and reviewed parking lot video and observed the following. At 1255 hours, MN Lic LTN406 was driving NB through the lot and drove into Stoltz parked vehicle. The suspect vehicle hit Stoltz vehicle very hard moving in it causing the vehicle to be pushed into 2, possibly 3 other vehicles (unknown plates at this time). The suspect vehicle was being driven by Najmo Mohamed Rashid DOB 08/26/2005. Rashid bent the hood of her vehicle and then sped out of the lot and went NB Collegeview. According to NCC, she had just left her final class prior to her committing a hit and run.

NCC provided a phone number for Rashid, 612-245-1330. I spoke with Rashid on the phone and she stated "she was in a hurry" and that's why she didn't stop. She also asked why she is responsible for the other parked vehicles that were hit. Checks on Rashid showed she only has an Instruction Permit. No other person was observed in her vehicle when the crash occurred to the time she fled the scene.

On 08/25/2025 at 1743, I received Rashid's insurance information. She provided ROOT Insurance #WND7BQ.

At this time, this case will remain open as other unidentified vehicles were struck in the parking lot resulting from Rashids' at fault crash.

On 08/26/2025 at approximately 1444 hours, I Officer Barnum was dispatched to the intersection of 108th St W. and Vincent Ave S. on a motor vehicle crash.

Upon arrival, I observed two vehicles were involved in the crash. Unit 1 (FYS226) and Unit 2 (1ZA457).

At this time, I observed that unit 2 was located on the south east corner of 108th St W. and Vincent Ave S. in the grass. Unit 2 had moderate damage to the drivers side front door. Unit 1 was facing east on 108th St W. in the middle of the intersection. Unit 1 had moderate damage to the passenger side front bumper and hood of the vehicle. Both vehicles had a combination of front and side airbags being deployed.

Unit 1 stated they were traveling east on 108th St W. when they approached Vincent Ave S. Once in the intersection Unit 2 and Unit 1 made contact. The contact was made in the middle of the intersection.

Unit 2 stated they were traveling north on Vincent Ave S. when they approached 108th St W. Once in the intersection, Unit 2 observed unit 1 and attempted to swerve away from unit 1. Once the contact was made it resulted in Unit 2 being turned 180 degrees and ended up in the grass.

Both Unit 1 and Unit 2 required tows. Both drivers and the passenger of unit 2 stated they were not injured during the crash.

Both drivers swapped insurance information and took pictures of the crash.

The intersection is a four way intersection controlled by yield signs. The weather was clear and the roads were dry. Both drivers were valid and both had valid insurance.

Hit and Run Accident

On 08/27/2025 at approximately 0800 hours, a hit and run occurred at 84th St W and France Av S. Bruce Allen Steele DOB 02/21/1970 was driving his work vehicle, MN Lic YBR4596, WB on 84th ST prior to France. An unidentified female driving MN Lic KAJ094 2008 Blue Saturn Vue, decided to change lanes and drove into the driver side of Steeles' work truck. The female then drove away without exchanging insurance information. The female sustained heavy damage to her vehicle.

The vehicle registers to Bibi Sonam Khani DOB 02/15/1995. Checks on Khani provides no photographic identity or drivers license.

At this time, I requested a KOPS alert be issued for the vehicle and to identify all parties in the vehicle if stopped/found.

On 08/29/2025, The suspect vehicle was located and stopped. Bibi Khani was driving and only had a Instruction Permit with no other occupant in the vehicle. Bibi claimed her brother was driving at the time of the crash. This is not true as the victim clearly saw a female driving the vehicle.

The vehicle was towed until a driver can be identified.

#310 Update

At 1355 hours, Patrol Officers automatic license plate reader (ALPR) alerted them to a 2008 Saturn Vue (Minnesota License Plate KAJ-094). The KOPS alert stated that the vehicle was involved in a hit and run out of our city. The alert advised to stop and identify all occupants of the vehicle and tow the vehicle to Chiefs towing.

Officers observed the vehicle turn out of the parking lot and drive westbound to Portland Avenue. Officers then observed the vehicle drive northbound on Portland Avenue up to American Blvd. where it was now stopped at a red light.

Officers caught up to the vehicle and was now behind it. It appeared it was occupied by one female driver. Officers initiated a traffic stop on the vehicle in the Dominos parking lot at the intersection of American Blvd and Penn Avenue.

Officers made contact with the driver, later identified as Bibi Sonam Khani. Officers advised her she was stopped due to her vehicle being involved in an accident in our city. She told Officers her brother was driving during the accident.

Khani provided me her Minnesota ID and insurance for the vehicle (State Farm Policy #552 8431-A02-23). I observed she only had an instruction permit. I confirmed she was the only one in the vehicle.

Chiefs towing was ordered for the vehicle to be towed to their lot to be held for investigations.

Due to Khani driving alone without a valid licensed driver I issued her a citation for the instruction permit violation (#270125205629 seperate incident).

The vehicle had damage to the front hood area. It also had scratch marks/paint chipped on the passenger side. Pictures of the damage were taken and uploaded to AXON.

Officers explained the citation to Khani and advised her that her vehicle would be towed at this time and investigations would follow up with her.
