On 09/30/2025 at 2025 hours Officers responded to the intersection of W. American Blvd. and Penn Ave. S. for an accident with difficulty breathing.

I arrived and observed three vehicles in the left turn lane to northbound Penn on eastbound American. Unit 3 was the lead vehicle, followed by Unit 2, then Unit 1.

The driver of Unit 1 reported that he was braking to stop for the red arrow, but either didn't apply enough pressure or his brakes weren't working well. He collided with the rear bumper of Unit 2. He estimated he was travelling at or below 5 mph.

The driver of Unit 2 reported that Unit 1 rear-ended her as he slowed for the red arrow. After that initial collision, her vehicle was pushed in the rear bumper of Unit 3. Driver of Unit 2 complained of neck pain and difficulty breathing. She was transported to Fairview Southdale by Allina (run #252-733-359).

The driver of Unit 3 reported that while waiting at the red arrow, Unit 2 hit his rear bumper with her front bumper.

I was unable to see any damage to Units 2 and 3 as reported by their respective drivers and observed no damage to Unit 1. All vehicles were drivable and sent from the scene.

Dispatched to an accident involving 2 vehicles.

Unit 1 (968029) owned by the City Of Bloomington was sitting stationary on Old Shakopee Rd, facing eastbound. The driver, Painschab, advised that he was going to turn left (northbound) onto Kell Ave, from Old Shakopee Rd. Painschab advised that there was a larger vehicle coming the opposite direction that was also attempting to turn left (go southbound), that was obscuring his view. He stated he thought it was safe to go. As he started to travel northbound, Unit 2 came into view. Unit 1 collided with the rear driver side of Unit 2 causing Unit 2 to spin out.

Unit 2 had the right of way while traveling westbound on Old Shakopee Rd.

There were no injuries that officers were made aware of at the time.

Unit 2 was towed privately.

Unit 1 was able to be fixed by the city shop at the scene to be driven back.

Both parties exchanged information.

No airbags deployed.

Photos taken and BWC was active. No witnesses presented themselves at the scene.
