FOR
CARBON DIOXIDE PRESSURIZED FEED SYSTEM
PROJECT 25-70**

DUE: 11:00 A.M., THURSDAY, NOVEMBER 20, 2025

The City of Bloomington is seeking proposals for professional services to provide design, preparation of bid documents, and construction administration services for the implementation of the Carbon Dioxide Pressurized Solution Feed (“PSF”) System at the Bloomington Water Treatment Plant (the “Project”). The new system will replace the existing CO₂ gas feed system used for pH control in finished water.

RFP documents are available for preview and download using the online RFP System at <https://bloomingtonmn.bidsandtenders.net>.

Please contact Bids&Tenders support at support@bidsandtenders.ca with any technical issues.

RFP documents are available for viewing with a “preview” watermark. Interested parties must create a Bids and Tenders account in order to submit proposal documents. Documents are not provided or received in any other manner.

Oral, facsimile, email, hard copy, or telephone Proposals are considered invalid and will not receive consideration.
