Respect. Compassion. Service. In Every Bite.

Guided by our core values, Bloomington Police Department and JCPP will be out in the community sharing sandwiches and smiles.

This simple act of kindness is about more than food—it's about connection. Together with our community partners, we're bringing people together, one sandwich at a time, to show that every neighbor matters.

Want to get involved? We welcome local churches, nonprofits, and community members to help assemble sandwiches, donate supplies, or join us at one of our stops.
