AUTHORITY AND SECURITY

AUTHORITY

The Series 57 Bonds are being issued pursuant to Minnesota Statutes, Chapters 429 and 475, as amended, and the Bloomington City Charter.

The Series 2025D Bonds are being issued pursuant to Minnesota Statutes, Chapter 475, as amended, including Section 475.521, and an amendment to the City's Combined Ten-Year Capital Improvement Plan, 2025-2034 approved on August 25, 2025 (the "CIP").

SECURITY AND SOURCES OF PAYMENT

The Series 57 Bonds and the Series 2025D Bonds will be general obligations of the City for which the City will pledge its full faith and credit and power to levy direct general ad valorem taxes. Additional sources of security are discussed below.

Series 57 Bonds

The City will pledge special assessments against benefited properties for repayment of a portion of the Series 57 Bonds. Special assessments in the principal amount of approximately \$915,695.45 are expected to be filed in December 2025 for first collection in 2026. The City expects to receive approximately \$320,493.41 in prepayments of assessments, with the remaining \$595,202.04 of assessments to be filed over a term of approximately 10 years from their initial year of filing with equal annual payments of principal. Interest on the unpaid balance will be charged at an interest rate of 5.50%.

The City will also levy taxes for repayment of a portion of the Series 57 Bonds, and will institute its first levy in 2025 for collection in 2026. Each year's collection of taxes and special assessments, if collected in full, will be sufficient to pay 105% of the interest payment due August 1 of the collection year and the principal and interest payment due February 1 of the following year.

Series 2025D Bonds

The City will levy taxes for repayment of the Series 2025D Bonds, and will make its first levy in 2025 for collection in 2026. Each year's collection of taxes, if collected in full, will be sufficient to pay 105% of the interest payment due August 1 of the collection year and the principal and interest payment due February 1 of the following year.

Minnesota Statutes, Section 475.521, limits the maximum amount of principal and interest to become due in any year on all outstanding capital improvement plan bonds to be not more than 0.16% of the estimated market value of property in the City for taxes payable in the year in which the bonds are issued or sold. The statutory maximum allowable for annual debt service on the City's capital improvement plan bonds is \$28,527,334, based on the City's 2024/25 estimated market value of \$17,829,583,800. The maximum annual debt service on the City's outstanding Capital Improvement Plan Bonds, including the Series 2025D Bonds, is \$1,081,485, which is within the statutory limit.

RISK FACTORS AND INVESTOR CONSIDERATIONS

Prospective purchasers of the Series 57 Bonds and Series 2025D Bonds should consider carefully, along with other matters referred to herein, the following risks of investment. The ability of the City to meet the debt service requirements of the Series 57 Bonds and Series 2025D Bonds is subject to various risks and uncertainties which are discussed throughout this Official Statement. Certain investment considerations are set forth below.

MAINTENANCE OF RATINGS

The Series 57 Bonds and Series 2025D Bonds have been rated as to their creditworthiness by Moody's, S&P, and Fitch. While the City does not anticipate any material changes in the future, no assurance can be given that either the Series 57 Bonds or Series 2025D Bonds will maintain their original ratings. If the ratings on the Series 57 Bonds and Series 2025D Bonds decrease or are withdrawn, the Series 57 Bonds and Series 2025D Bonds may lack liquidity in the secondary market in comparison with other such municipal obligations. See "Ratings" herein.

SECONDARY MARKET

While the respective purchaser of the Series 57 Bonds or Series 2025D Bonds may expect, insofar as possible, to maintain a secondary market in the Series 57 Bonds or Series 2025D Bonds, as applicable, no assurance can be given concerning the future existence of such a secondary market or its maintenance by the purchasers or others, and prospective purchasers of the Series 57 Bonds and Series 2025D Bonds should therefore be prepared, if necessary, to hold their Series 57 Bonds or Series 2025D Bonds, as applicable, to maturity or prior redemption, if any.

FUTURE CHANGES IN LAW

Future legislative proposals, if enacted into law, clarification of the Code (defined herein) or court decisions may cause interest on the Series 57 Bonds to be subject, directly or indirectly, to federal income taxation or to be subject to or exempted from state income taxation, or otherwise prevent Beneficial Owners from realizing the full current benefit of the tax status of such interest. The introduction or enactment of any such legislative proposals, clarification of the Code or court decisions may also affect the market price for, or marketability of, the Series 57 Bonds. Prospective purchasers of the Series 57 Bonds should consult their own tax advisors regarding any pending or proposed federal or state tax legislation, regulations, or litigation, as to which Bond Counsel expresses no opinion. Interest on the Series 2025D Bonds is taxable.

Legislation affecting municipal bonds is considered from time to time by the United States Congress and the Executive Branch. Bond Counsel's opinion is based upon the law in existence on the date of issuance of the Series 57 Bonds and the Series 2025D Bonds. It is possible that legislation enacted after the date of issuance of the Series 57 Bonds and Series 2025D Bonds or proposed for consideration will have an adverse effect on the excludability of all or a part of the interest on the Series 57 Bonds from gross income, the manner in which such interest is subject to federal income taxation or the market price of the Series 57 Bonds.

Legislation affecting municipal bonds is considered from time to time by the Minnesota legislature and Executive Branch. It is possible that legislation enacted after the issuance date of the Series 57 Bonds and Series 2025D Bonds or proposed for consideration will have an adverse effect on payment or timing of payment or other matters impacting the Series 57 Bonds and Series 2025D Bonds.

The City cannot predict the outcome of any such federal or state proposals as to passage, ultimate content or impact if passed, or timing of consideration or passage. Purchasers of the Series 57 Bonds and Series 2025D Bonds should reach their own conclusions regarding the impact of any such federal or state proposals.

There can be no assurance that there will not be any change in, interpretation of, or addition to the applicable laws and provisions which would have a material effect, directly or indirectly, on the affairs of the City.

LIMITATIONS ON REMEDIES AVAILABLE TO OWNERS OF THE SERIES 57 BONDS AND SERIES 2025D BONDS

No Acceleration

There is no provision for acceleration of maturity of the principal of the Series 57 Bonds or the Series 2025D Bonds in the event of a default in the payment of principal of or interest on the Series 57 Bonds or the Series 2025D Bonds, as applicable. Consequently, the owners of the Series 57 Bonds and the Series 2025D Bonds may have to enforce available remedies.

No Trustee

There is no bond trustee or similar person or entity to monitor or enforce the provisions of the Series 57 Resolution or Series 2025D Resolution (both hereinafter defined) on behalf of the respective owners of the Series 57 Bonds or Series 2025D Bonds, and therefore the owners should be prepared to enforce such provisions themselves if the need to do so ever arises.

POTENTIAL IMPACTS RESULTING FROM EPIDEMICS OR PANDEMICS

The City's finances may be materially adversely affected by unforeseen impacts of future epidemics and pandemics. The City cannot predict future impacts of epidemics or pandemics, any similar outbreaks, or their impact on travel, on assemblies or gatherings, on the State, national or global economy, or on securities markets, or whether any such disruptions may have a material adverse impact on the financial condition or operations of the City, including but not limited to the payment of debt service on any of its outstanding debt obligations.

CYBERSECURITY

The City relies on computer networks, data storage, collection, and transmission to conduct the operations of the City and has implemented security measures to protect data and limit financial exposure, including securing cyber security insurance to assist with the reduction of potential risk of financial and operational damage resulting from network attacks. Even with these security measures, the City, its information technology, data stored by the City and its infrastructure may be vulnerable in the event of a deliberate system attack, including malware, ransomware, computer virus, employee error or general disruption. If breached or compromised, the networks could be disrupted and information could be accessed, disclosed, lost, or stolen. The City acknowledges that its systems could be affected by a cybersecurity attack and that a loss, disruption, or unauthorized access to data held by the City could have a material impact on the City. Further, as cybersecurity threats evolve, the City will continue to evaluate and implement security measures and work to mitigate any vulnerabilities in its system.

CONTINUING DISCLOSURE

In order to assist the Series 57 Underwriter and the Series 2025D Underwriter in complying with SEC Rule 15c2-12 promulgated by the Securities and Exchange Commission, pursuant to the Securities Exchange Act of 1934, as the same may be amended from time to time, and official interpretations thereof (the "Rule"), pursuant to the respective resolution awarding the sale of the Series 57 Bonds (the "Series 57 Resolution") or the resolution awarding the sale of the Series 2025D Bonds (the "Series 2025D Resolution"), both approved by the City Council at its meeting on October 20, 2025, at closing the City will enter into an undertaking for each of the Series 57 Bonds and the Series 2025D Bonds (together, the "Undertakings") for the benefit of the respective holders including Beneficial Owners of the Series 57 Bonds and Series 2025D Bonds to provide certain financial information and operating data relating to the City to the Electronic Municipal Market Access system ("EMMA") annually, and to provide notices of the occurrence of certain events enumerated in the Rule to EMMA or the Municipal Securities Rulemaking Board (the "MSRB"). The specific nature of the Undertakings, as well as the information to be contained in the annual report or the notices of material events, is set forth in the Undertakings to be executed and delivered at the time the Series 57 Bonds and Series 2025D Bonds are delivered in substantially the forms attached hereto as Appendix D.

The City believes it has complied for the past five years in accordance with the terms of its previous continuing disclosure undertakings entered into pursuant to the Rule. A failure by the City to comply with either Undertaking will not constitute an event of default on the Series 57 Bonds or Series 2025D Bonds, as applicable, or under any provisions of the Series 57 Resolution or Series 2025D Resolution (although holders will have any other available remedy at law or in equity subject to certain limitations). Nevertheless, such a failure must be reported in accordance with the Rule and must be considered by any broker, dealer or municipal securities dealer before recommending the purchase or sale of the Series 57 Bonds or the Series 2025D Bonds in the secondary market. Consequently, such a failure may adversely affect the transferability and liquidity of the Series 57 Bonds and Series 2025D Bonds and their market price.

LITIGATION

The officers for the City will certify at the time of delivery of the Series 57 Bonds and the Series 2025D Bonds that there is no litigation pending or in any way threatened questioning the validity of either the Series 57 Bonds or the Series 2025D Bonds, or any of the proceedings relating to the authorization, issuance and sale of either the Series 57 Bonds or the Series 2025D Bonds that would result in a material adverse impact on the financial condition of the City.

LEGAL MATTERS

The Series 57 Bonds and the Series 2025D Bonds are subject to approval as to certain matters Kutak Rock LLP of Minneapolis, Minnesota, as Bond Counsel. Bond Counsel has not participated in the preparation of this Official Statement and will not pass upon its accuracy, completeness, or sufficiency. Bond Counsel has not examined nor attempted to examine or verify any of the financial or statistical statements or data contained in this Official Statement and will express no opinion with respect thereto. For each of the Series 57 Bonds and the Series 2025D Bonds, a legal opinion in substantially the form set out in Appendix C herein will be delivered at closing.

TAX MATTERS – SERIES 57 BONDS

GENERAL MATTERS

In the opinion of Kutak Rock LLP, Bond Counsel to the City, under existing laws, regulations, rulings and judicial decisions, interest on the Series 57 Bonds is excludable from gross income for federal income tax purposes and is not a specific preference item for purposes of the federal alternative minimum tax imposed on individuals. Further, and to the extent of the aforementioned federal income tax exclusion, interest on the Series 57 Bonds

is excludable from taxable net income of individuals, trusts, and estates for Minnesota income tax purposes, and is not a preference item for purposes of the computation of the Minnesota alternative minimum tax imposed on individuals, trusts, and estates. However, such interest is subject to Minnesota franchise taxes on certain corporations (including financial institutions) measured by income. The opinions described above assume the accuracy of certain representations and compliance by the City with covenants designed to satisfy the requirements of the Code that must be met subsequent to the issuance of the Series 57 Bonds. Failure to comply with such requirements could cause interest on the Series 57 Bonds to be included in gross income for federal income tax purposes and in taxable net income for Minnesota income tax purposes, retroactive to the date of issuance of the Series 57 Bonds. The City has covenanted to comply with such requirements. Bond Counsel has expressed no opinion regarding other federal tax consequences arising with respect to the Series 57 Bonds. Interest on the Series 57 Bonds (a) may affect the federal alternative minimum tax imposed on certain corporations, and (b) is subject to Minnesota franchise taxes on certain corporations (including financial institutions) measured by income.

The accrual or receipt of interest on the Series 57 Bonds may otherwise affect the federal income tax liability of the owners of the Series 57 Bonds. The extent of these other tax consequences will depend on such owners' particular tax status and other items of income or deduction. Bond Counsel has expressed no opinion regarding any such consequences.

Purchasers of the Series 57 Bonds, particularly purchasers that are corporations (including S corporations, foreign corporations operating branches in the United States of America, and certain corporations subject to the alternative minimum tax imposed on corporations), property or casualty insurance companies, banks, thrifts or other financial institutions, certain recipients of social security or railroad retirement benefits, taxpayers entitled to claim the earned income credit, taxpayers entitled to claim the refundable credit in Section 36B of the Code for coverage under a qualified health plan or taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations, should consult their tax advisors as to the tax consequences of purchasing or owning the Series 57 Bonds.

A copy of the form of opinion of Bond Counsel with respect to the Series 57 Bonds is attached hereto as Appendix C.

ORIGINAL ISSUE PREMIUM

The Series 57 Bonds that have an original yield below their respective interest rates, as shown on the cover of this Official Statement (collectively, the "Premium Bonds"), are being sold at a premium. An amount equal to the excess of the issue price of a Premium Bond over its stated redemption price at maturity constitutes premium on such Premium Bond. A purchaser of a Premium Bond must amortize any premium over such Premium Bond's term using constant yield principles, based on the purchaser's yield to maturity (or, in the case of Premium Bonds callable prior to their maturity, generally by amortizing the premium to the call date, based on the purchaser's yield to the call date and giving effect to any call premium). As premium is amortized, the amount of the amortization offsets a corresponding amount of interest for the period, and the purchaser's basis in such Premium Bond is reduced by a corresponding amount resulting in an increase in the gain (or decrease in the loss) to be recognized for federal income tax purposes upon a sale or disposition of such Premium Bond prior to its maturity. Even though the purchaser's basis may be reduced, no federal income tax deduction is allowed. Purchasers of the Premium Bonds should consult their tax advisors with respect to the determination and treatment of premium for federal income tax purposes and with respect to the state and local tax consequences of owning a Premium Bond.

NOT BANK-QUALIFIED TAX-EXEMPT OBLIGATIONS

The City will not designate the Series 57 Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code, relating to the ability of financial institutions to deduct from income for federal income tax purposes, interest expense that is allocable to carrying and acquiring tax-exempt obligations.

BACKUP WITHHOLDING

An owner of a Series 57 Bond may be subject to backup withholding at the applicable rate determined by statute with respect to interest paid with respect to the Series 57 Bonds if such owner fails to provide to any person required to collect such information pursuant to Section 6049 of the Code with such owner's taxpayer identification number, furnishes an incorrect taxpayer identification number, fails to report interest,

dividends or other "reportable payments" (as defined in the Code) properly, or, under certain circumstances, fails to provide such persons with a certified statement, under penalty of perjury, that such owner is not subject to backup withholding.

CHANGES IN FEDERAL AND STATE TAX LAW

From time to time, there are legislative proposals in the Congress and in the states that, if enacted, could alter or amend the federal and state tax matters referred to under this heading "TAX MATTERS – SERIES 57 BONDS" or adversely affect the market value of the Series 57 Bonds. It cannot be predicted whether or in what form any such proposal might be enacted or whether if enacted it would apply to bonds issued prior to enactment. In addition, regulatory actions are from time to time announced or proposed and litigation is threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value of the Series 57 Bonds. It cannot be predicted whether any such regulatory action will be implemented, how any particular litigation or judicial action will be resolved, or whether the Series 57 Bonds or the market value thereof would be impacted thereby. Purchasers of the Series 57 Bonds should consult their tax advisors regarding any pending or proposed legislation, regulatory initiatives or litigation. The opinions expressed by Bond Counsel are based on existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of issuance and delivery of the Series 57 Bonds, and Bond Counsel has expressed no opinion as of any date subsequent thereto or with respect to any pending legislation, regulatory initiatives or litigation.

Prospective purchasers of the Series 57 Bonds are advised to consult their own tax advisors prior to any purchase of the Series 57 Bonds as to the impact of the Code upon their acquisition, holding or disposition of the Series 57 Bonds.

TAXABILITY OF INTEREST – SERIES 2025D BONDS

In the opinion of Kutak Rock LLP, Minneapolis, Minnesota, Bond Counsel, under existing laws as presently enacted and constructed, interest on the Series 2025D Bonds is includable in gross income for purposes of federal income taxation and is includable in taxable net income of individuals, estates or trusts for purposes of Minnesota income taxation.

Purchasers of the Series 2025D Bonds are encouraged to consult with their personal tax advisors regarding the impact of the foregoing on their individual tax liabilities.

A copy of the form of opinion of Bond Counsel with respect to the Series 2025D Bonds is attached hereto as Appendix C.

The Chief Financial Officer is responsible for establishing written procedures for the operations of the investment program consistent with the investment policy. The Chief Financial Officer is also responsible for all investment transactions and establishing a system of controls to regulate the financial activities of the City. An investment committee, consisting of the Chief Financial Officer, Deputy Finance Officer, Treasury Manager, Port Authority Administrator, HRA Administrator and other Accountants meets semi-annually or as needed to review the performance of investments and investment strategy. The City's financial staff manages the investments of the City, HRA and Port Authority. They provide Investment Performance Reports on a monthly basis to the City Council, Executive staff, HRA, and Port Authority.

As of July 31, 2025, approximately \$117.3 million (39.5%) of the City's \$297.3 million investment portfolio is invested in securities that will mature at par in less than one year. An additional \$180.0 million (60.5%) of the City's operating fund investments are securities that have maturity dates within one to ten years.

Economic Development

Growth within the City has been spurred by freeways reaching out from the metropolitan area population hub, adjacent to and through the City, and further enhanced by the City's proximity to the Minneapolis-Saint Paul International Airport.

The City's water and sewer systems were installed at the beginning of the City's development and the capital outlay programs for extensions have been planned to keep pace with expected development.

Current and Pending Development

Ever Apartments – In February 2024, the City approved the development plans for 5-story, 208-unit, apartment building with 19 affordable units. The development contains a separate 11,000 square foot daycare facility. Construction is underway. The City supported the development with pass-through funding from government partners at the State and County. Construction is underway.

American Square - A two phase project:

- Phase I, The Ardor – In June 2020, the City issued zoning approvals for a six-story, 242-unit market rate apartment building, with underground parking at 3701 American Blvd E. In June 2021, the City approved a minor revision to reduce the total units to a 237-unit market rate apartment building. Construction was completed at the end of 2024.
- Phase II, The Quinn – In April 2025, the submitted for preliminary approval for an 81-unit senior apartment building with 100% of the units affordable at or below the 60% area median income (AMI) and underground parking and a separate new underground 96 underground parking ramp at 6 Appletree Square. The developer is still performing due diligence on the Phase II site. The Port Authority is analyzing potential housing TIF assistance.

700 American Blvd. W. – In July 2024, construction commenced for a City-owned property at 700 American Blvd. W. The development consists of 128 apartment units and approximately 1,500 square feet of commercial space. Construction has begun on this development but is not yet completed. The City issued conduit revenue bonds for the project and provided a land write-down and an LCDA loan for the project, and the HRA provided tax increment assistance for the project through its revolving loan fund. The building is expected to open spring of 2026.

Development at Mall of America

In December 2019, the MOA ownership received zoning approvals to build an approximately 330,000 square-foot waterpark facility that would be connected to and integrated with the MOA via a bridge over Lindau Lane. Because of the COVID-19 pandemic, the City and its partners began evaluating the impact the pandemic may have on the project and the waterpark did not move forward.

In 2021, new statutory language was enacted into Minnesota law that allows cities and port authorities new flexibility for utilizing Tax Increment Financing (TIF). The purpose of flexibility is to spur economic development. The 2021 flexibility requires funds to be committed to a project by December 31, 2022, and

spent by December 31, 2025. The City received an extension of two years (December 31, 2027) with the legislature. The 2021 flexibility opened new options for financing the waterpark, which the City and Port Authority advised staff to analyze. Staff continue to work with MOA on a potential waterpark development.

In 2024, staff presented to the City and Port Authority a financing structure to invest up to \$160 million (the potential issuance of \$75 million of TIF bonds for infrastructure and the use of \$85 million of equity from the Port Authority) in the waterpark project, with the developer to finance the balance of the approximately \$350 million waterpark and parking ramp project. Staff expects additional approvals later in 2025. More information on the South Loop Waterpark project is available on the City's website or upon request.

Staff are in conversations with Kraus-Anderson (KA) on the potential redevelopment of vacant parcels at the Southtown shopping center. In 2024, KA demolished vacant retail buildings that previously housed the Herberger's department store, among others. KA hopes to redevelop that site and other vacant properties on the eastern half of the development site. It is possible that the City may explore one or more redevelopment TIF districts for the development.

Industrial

SICK Product & Competence Center Americas, LLC – In 2012, the City purchased three parcels as part of a settlement between Interstate Diesel and the Metropolitan Airports Commission. These parcels are adjacent to the Alpha Business Center parcels the City purchased in 2010 as part of the Lindau Lane expansion. The developable parcels are about 14 acres comprising the combination of the remaining undeveloped Alpha Site and the three Interstate Diesel properties. In 2020, the City entered into a Development Agreement with SICK, a German technology company, on a phased purchase agreement of the 14 acres for the development of over 500,000 square feet of office and production/logistics space by 2035. In 2021, the City issued zoning approvals and the Developer purchased the Phase I lot. Construction for Phase 1 is complete.

In September 2023, the City issued zoning approvals for Phase II, a 144,000 square-foot office building and a parking structure, located at 8051 Winstead Way and 8051 26th Avenue E. Construction began in May 2024 and completion of the ramp, followed by the office building, is anticipated to be completed by the end of 2025.

Seagate Expansion – In 2022, the City approved an 80,000 square-foot, two-level expansion of the Seagate Facility at 7850 Nord Ave. S. Construction is underway.

Hotels, Retail, Restaurants, Institutional and Other Commercial

Walser Toyota and Corporate Headquarters – In 2021, the City approved a rebuild and expansion of the Walser Toyota site to include a new three level, 122,000 square-foot dealership with Walser Corporate Headquarters being relocated to the third level. Construction on the parking ramp and principal building was complete in 2024.

Schneiderman's – In 2023, Schneiderman's furniture began construction of a 4,000 square-foot addition to an existing 67,000 square-foot building. Construction completed in 2024 and the business is open.

Luther Hyundai – In 2023, the City approved a 3,300 square-foot expansion of the existing auto dealership. Construction completed in 2024 and the business is open.

Gyropolis Expansion – In 2022, the City issued zoning approvals for a 2,400 square-foot expansion to an existing restaurant at 2325 W. 90th Street. Construction completed in late 2024 and the business is open.

The City Manager is the Chief Administrative Officer of the City. Zachary Walker has served as the City Manager since October 20, 2025. The City Manager controls and directs the administration of the City's affairs through the City's departments and divisions. The City employs approximately 637 full-time persons throughout the various City departments, programs, and teams.

City Departments

The 2025 operating budget has 690 full-time authorized positions. In 2025, there was a notable change in City staff—the position of city manager. After ten years of service to Bloomington, City Manager Jamie Verbrugge departed the organization in January to pursue another opportunity. In July, the City Council chose Zach Walker as Bloomington's next city manager. Walker began in his new role in October 2025.

The following departments and service groups report directly to the City Manager:

Internal Enterprise Services

This service group is led by a Deputy City Manager who oversees City Clerk, Communications, Community Outreach and Engagement, Human Resources, Information Technology and the Office of Racial Equity, Inclusion and Belonging. This service group has 73 authorized positions.

External Services

This service group is led by a Deputy City Manager who oversees Community Development, Parks and Recreation, Public Health and Public Works. This service group has 365 authorized positions.

Fire Department

The Fire Department has 42 full-time authorized positions and 86 paid-on-call firefighters. The department operates out of six fire stations and uses the latest firefighting equipment including engines, ladders, and other specialty units. Fire prevention is an integral part of providing fire safety through code enforcement and education. Firefighters install battery operated smoke detectors or replace batteries in detectors for homeowner occupied homes that need them upon request.

The Fire Department responded to 10,477 calls for service in 2024. These ranged from water rescues and vehicle extrications to structural fires, medical emergencies, and hazardous materials emergencies. The response time measurement goal for an effective response force of at least 3 personnel within 7 minutes and 30 seconds of the 911 call was achieved 63% of the time in 2024. Four of the six fire stations are now staffed 24 hours a day. With the addition of the firefighters currently in training, we will staff a 5th station most of the time. All firefighters are required to meet training standards annually.

Police Department

The Bloomington Police Department (BPD) employs 187 staff members, of which 166 are permanent full-time positions. 129 are sworn police officers. Thanks to funding from the Public Safety Aid (PSAID), BPD was able to exceed its full sworn officer capacity in order to be better prepared for upcoming retirements.

The Police Department provides safety within our community and prevents crime through an easily recognizable presence. The department also engages with our community, enforces state and local laws fairly, respectfully, and aggressively, offers social services, access to therapists, and provides crime prevention programs. The Patrol Division provides 24-hour-a-day service to the community by responding to crimes, traffic accidents, medical emergencies, fires, public safety hazards, domestic disputes, providing proactive policing, and meeting other community needs. More than 142,600 emergency and non-emergency phone calls are logged into the dispatch center annually. Of these, 49,200 are emergency (911) calls coming into the dispatch center, but not all result in a request for police services.

Other Police Department units include the South Loop Unit, Traffic Investigations Unit, Crime Services Unit, K-9 Unit, and Emergency Management, Police Reserves and Animal Control. In addition, the Police Department also has an Emergency Services Group, which is comprised of the Emergency Response Unit, the Bomb Squad, the Crisis Negotiators Unit, the Tactical Support Unit, and the Mobile Field Force Unit. The specialty units use already authorized staff as needed.

Legal Department

The Legal Department has 20 full-time employees who provide legal counsel to the City Council, Advisory Boards and Commissions, the City Manager, and other City Departments. Attorneys also prosecute non-felony criminal offenses occurring within the City.

Finance Department

The Finance Department employs a staff of 28 who support and coordinate various financial and administrative-related operations. These include Finance, Budget, Financial Operations, and Risk Management. The Finance Department coordinates the development of the City's program budgets for all operating budgets, the ten-year capital improvement program, the Annual Comprehensive Financial Report and the Popular Financial Report and provides financial management services. The Finance, Budget, and Financial Operations also provide support to the City's Housing and Redevelopment Authority, Port Authority and Fire Relief Association agencies.

Labor Contracts

The City has nine collective bargaining units that cover approximately 50 percent of its full-time workforce. Three are represented by the American Federation of State, County and Municipal Employees (AFSCME), including the 49-member Professional/Technical unit, 6-member Assistant City Attorneys unit, and 30-member clerical unit. The others are the 107 police officers represented by the Bloomington Police Officers Federation (BPOF), the 23 police supervisors (Sergeants and Commanders) represented by Law Enforcement Labor Services (LELS), the 12 civilian police and fire dispatchers represented by the International Association of Fire Fighters (IAFF), the 5 civilian jailers represented by LELS, and the 20 members of the Police Clerical and Technical unit represented by LELS. The City has completed negotiations with 5 of its bargaining units, and has settled contracts in place through 2025. The remaining bargaining units are new to the City starting in late 2024, and contract negotiations have begun with all of the new bargaining units in for just the year 2025. In addition, contract negotiations for the years 2026-2027 for all nine collective bargaining units are underway.

Bloomington Housing and Redevelopment Authority (HRA)

Sarah Abe has served as the Administrator of the HRA since September 2024. The HRA is governed by a seven-member board appointed by the Mayor and approved by the City Council. The HRA mission is to help provide affordable housing opportunities for those who are not adequately served by the marketplace, coordinate the City's efforts to preserve existing neighborhoods and promote development and redevelopment that enhances Bloomington.

The HRA has taxing and bonding powers, but all general obligation bonds for redevelopment projects are currently issued by the City. The HRA concentrates its efforts on grants and loans for the improvement of low- and moderate-income housing and on large- and small-scale housing development or redevelopment projects. Lower-rent, multifamily housing is also receiving attention, with several projects completed and others in various stages of planning.

Bloomington Port Authority (Port Authority)

Holly Masek serves as Port Authority Administrator and has served in this position since March 2023. The Port Authority was created by the City to provide a coordinated, cost-effective approach for private and public development within various development districts that may be established throughout the City. The Port Authority's boundaries encompass the entire City and the Port Authority is governed by commissioners appointed by the Mayor and confirmed by the City Council. The Port Authority has limited taxing powers, but has extensive authority to issue bonds or notes for public improvements and land development. The Port Authority may issue general obligation bonds secured by a pledge of the full faith and credit and taxing powers of the City with the consent of the City Council. The City guarantees certain Port Authority debt and manages the Port Authority's day-to-day operations.

Boards and Commissions

Advisory boards and commissions inform and advise the City Council. They provide for community participation in issues concerning the City and its residents. The City Council values the comments and recommendations from the various advisory Boards and Commissions. There are nine different groups: Advisory Board of Health; Charter Commission; Creative Placemaking Commission; Housing and Redevelopment Authority (HRA); Human Rights Commission; Local Board of Appeal and Equalization; Merit Board; Parks, Arts and Recreation Commission; Planning Commission; Port Authority; and Sustainability Commission. These Boards and Commissions all report directly to the City Council.

City Services and Improvements

Current City Development

Total project valuation for all building permits issued in 2024 was \$533,016,653. Most new development continues to focus on the I-494 corridor, where excellent access to employment, improving transit service, and focused land use plans position the City well for future growth.

Bloomington Community Brain Health Services Program

Each year, the City of Bloomington invites residents to share their opinions and feedback on the community's livability and quality of life through The National Community Survey™. This survey provides a statistically valid representation of how well the City of Bloomington meets the needs of its residents. Results from the 2020 to 2022 surveys revealed a 17% decline in community ratings concerning the availability of affordable, quality mental health services in the city. This local concern reflects national trends in mental health service availability, where a growing gap between the supply of services and the rising demand for care continues to widen and is projected to get much worse.

Pilot Program Launched

In response to this growing concern the Bloomington Police Department, in partnership with Bloomington Public Health, launched the Bloomington Community Brain Health Services (BCBHS) pilot program in October 2023. The purpose of this groundbreaking initiative was to increase access to affordable mental health treatment to the community and reduce emergency mental health crisis calls within the city. This initiative aligns closely with priorities shared by both City departments, including mental health and substance use prevention, which also align with the City's strategic plan goals.

Funds received from recent opioid settlements were used to help launch the pilot program, in acknowledgement that treatment and prevention strategies are key to mitigating continued harm to affected individuals and the community.

Collaborative Services

Bloomington residents in mental health crisis are referred to the program by Bloomington police officers, Hennepin County social workers, and counselors with Bloomington Public Schools. Once referred, an individual can begin mental health treatment in their home, in a private location at the Bloomington Civic Center, or via a HIPAA compliant online telehealth platform in as little as 48 hours following the crisis. The program is structured to provide participants with up to 15 one-hour psychotherapy treatment sessions at no cost for individuals, couples, or families. Once a participant is no longer in crisis, BCBHS mental health providers work to connect and establish appropriate long-term mental health care for each participant as needed.

In addition to providing services to the public, the BCBHS also serves as a clinical mental health internship and training site for local graduate school mental health programs such as marriage and family therapy, counseling psychology, and clinical social work. Each year, up to 4 graduate students enrolled in these programs receive a one-year placement with the BCBHS program. During this time, graduate students receive training, guidance, and supervision in their development as mental health clinicians. The BCBHS program is managed by 2 full-time licensed mental health providers who serve as administrative and clinical supervisors. Psychotherapy treatment services for the program are provided by the 4 graduate clinical mental health interns.

Bloomington Police and Public Health staff work as a team to support the program, providing the electronic health record system to document and evaluate brain health-related efforts. Together, they are actively exploring innovative strategies to sustain and expand the program, addressing critical gaps in the City's mental health service delivery. The program's early success suggests it is making a meaningful difference in the lives of those it serves, while reducing calls for service and conserving healthcare resources.

Outcomes, Recognition, and Growth

In its first year, the BCBHS program has achieved significant outcomes, earning recognition for its impact. Since its launch, 74 individuals, couples, and families have been referred for services, with 41 of those referrals utilizing the available support. As of December 31, 2024, 430 mental health treatment sessions were completed, and the program conducted 10 school-based group therapy sessions discussing topics such as self-care, stress, anxiety, depression, self-esteem, and substance use.

Since its launch, the unique program has gained widespread recognition from law enforcement and municipal government leaders both statewide and nationally. In October 2024, the Bloomington Police Department and the BCBHS program were honored with the 2024 Regional Leaders and Innovators Award in the Public Safety category by the Minneapolis Chamber of Commerce. The program also caught the attention of local news, and it was also featured in articles by St. Mary's University of Minnesota and the Minneapolis Star Tribune, further showcasing its impact and reach. The program's success was further highlighted when the Bloomington Police Department, Public Health, and BCBHS leaders were invited to present at the Police Assisted Addiction & Recovery Initiative (PAARI) national conference.

Looking ahead, the next steps for the program will focus on expanding services by enhancing partnerships with local schools, community organizations, and neighboring cities like Richfield and Edina. In line with the Bloomington Police Department's core values of "respect through compassionate and honest service," the program will work to ensure that these new partnerships continue to prioritize the needs of the community with integrity and care. Additionally, plans are in place to explore additional funding sources to ensure long-term sustainability and growth.

CITY FINANCIAL POLICIES AND PRACTICES

Employee Pensions

All full-time employees and certain part-time employees of the City are covered by defined benefit pension plans administered by the Public Employees Retirement Association of Minnesota (PERA). PERA administers the General Employees Retirement Fund (GERF) and the Public Employees Police and Fire Fund (PEPFF), which are cost-sharing multiple-employer retirement plans. In addition, Volunteer

firefighters of the Bloomington Fire Department are covered by a defined benefit plan administered by the Bloomington Firefighters Relief Association. The Plan is a single employer retirement plan and is established and administered in accordance with Minnesota Statutes, Chapter 69.

A detailed description of these plans, along with the City's required contributions to each plan, are represented in the City's Annual Comprehensive Financial Reports. An excerpt of the City's Annual Comprehensive Financial Report for fiscal year ended December 31, 2024, is included as Appendix F of this Official Statement.

Other Postemployment Benefits

The City has obligations to its employees for post-employment benefits other than pensions, accounted for pursuant to the Government Accounting Standards Board (GASB) Statement No. 75, Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions (GASB 75). The City's OPEB liabilities and associated contributions are represented in the City's Annual Comprehensive Financial Reports. An excerpt of the City's Annual Comprehensive Financial Report for fiscal year ended December 31, 2024, is included as Appendix F of this Official Statement.

Cash Flow and Tax Collections

The City uses its General Fund balance to finance operations until tax receipts come in and has not engaged in tax anticipation borrowing. Taxes flow to the City starting in July of the collection year, when it receives approximately 49% of its levy. The second settlement, also about 49% of the total levy, is received in December. The final settlement is received in January of the following year.

Local Lodging, Admission, and On-Sale Liquor Taxes

The City currently imposes and collects a 7% lodging tax, a portion (2/7) of which goes to the Bloomington Minnesota Travel and Tourism. As of June 30, 2025, \$5,181,088 (consisting of \$4,108,645 for lodging and \$1,072,443 for admission) represents revenues from a 3% entertainment and admissions tax and a portion (3/7) of the City's 7% lodging tax, which was recorded in the City's General Fund.

The total amount directed to the South Loop Capital Improvement Fund is comprised of the 3% on-sale liquor tax and a portion of the 7% lodging tax (2/7 or \$2,739,090 for lodging and \$872,426 for liquor as of June 30, 2025).

City Budget Process

Budget work-up for the following two calendar years begins in March of the even numbered years and the final proposed budget and tax levy is certified by September 15 under State law. A series of notices, publications and budget meetings are then established by the City Council under State law for purposes of discussion and public input. Budget and tax levy deliberations for the following budget year are conducted between September 15 and December 20 of each year. The final levy is certified on or before five working days after December 20. The budget, as adopted, can be later modified by the City Council, but appropriations can be increased only if additional revenues can also be shown (pursuant to Section 7.08 of the City Charter). In odd numbered years budgets developed for the following year are reviewed and fine-tuned before final budgets are adopted.

Awards

The City has received the Distinguished Budget Presentation Award for its Budget Document from the Government Finance Officers Association (GFOA) from 1997 through 2024, and the Popular Annual Financial Report Award from the GFOA for the years 1998 through 2003 and 2005 through 2023. The City has also received the Certificate of Achievement for Excellence in Financial Reporting from the GFOA for its Annual Comprehensive Financial Report from 1971 through 2023.

Ten-Year Capital Improvement Plan

The City utilizes a ten-year Capital Improvement Plan, outlining projected costs and probable sources of funding for proposed various capital improvement projects. Any unreserved fund balances of the Park Development Fund and the Facility Fund are identified for use as proposed in the Capital Improvement Plan, when and if such projects are ordered by the City Council.

In August 2025, the Bloomington City Council approved an amendment to the 2025-2034 CIP with the following changes:

1. The total amount for the Equipment Maintenance Garage (also referred to as the Fleet Garage or Fleet Maintenance Garage) was originally listed only in 2025. The amendment will split the amount between 2025 and 2026. The total has not changed.
2. The public works materials storage shed (also referred to as the Salt Shed) was originally described in the Original Plan as being financed from "Other Sources" in the amount of \$4,900,000. The Salt Shed project cost estimate was adjusted to \$14,000,000 and will be financed with proceeds of CIP Bonds.

The City's latest ten-year Capital Improvement Plan originally indicated the following totals for the ten-year period of 2025-2034:

Claims and Litigation

The City has no pending or threatened litigation or any claims or assessments that, in its opinion, would materially affect its ability to perform its obligations to the holders of the securities being offered, including the effects of legal proceedings on the securities being offered and on the source of payment thereof. Further, no unasserted claims or assessments are believed to have any reasonable possibility of an unfavorable effect. The City usually has at any given time, a number of lawsuits pending relating to land development, constitutionality of laws and ordinances, and municipal liability and automobile liability claims. None of these lawsuits or claims are expected to exceed the policy limits or the statutory liability limits.

The City carries the following business and property loss insurance policies and coverages:

Federal Financial Assistance

In recent years, the City has received significant Federal financial assistance through the American Rescue Plan (ARP) funds and the Staffing for Adequate Fire and Emergency Response (SAFER) grant.

ARP Funds:

The American Rescue Plan Act of 2021 was signed into law on March 11, 2021 in response to the COVID 19 pandemic. The relief package provided \$350 billion of funding for state and local governments. The City received \$11.4 million and has spent \$9.7 million to date. The remaining amount was committed by the end of December 2024, and will be spent by the end of December 2026.

SAFER Grant Funds:

The City has received two SAFER grants from the Federal Emergency Management Agency (FEMA). These grants are designed to support fire departments in increasing or maintaining frontline firefighter staffing levels to enhance public and firefighter safety.

The first SAFER grant began in April 2023 and provides funding for the salaries and benefits of 18 new full-time firefighter positions for a three-year period, ending in April 2026. The second SAFER grant began at the end of March 2025 and will continue through March 2028, further supporting the City's transition from a primarily paid-on-call fire service model to a hybrid model that includes both full-time and part-time firefighters.

In alignment with the City's long-term financial planning practices, the City has a thoughtful and sustainable plan in place to absorb the ongoing costs of these additional firefighter positions as the SAFER grant periods end. This plan ensures a smooth transition without creating significant spikes in the property tax levy.

BOOK ENTRY

The Depository Trust Company (“DTC”), New York, New York, will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered certificate will be issued for each maturity of each series of the Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation, and Fixed Income Clearing Corporation all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC’s records. The ownership interest of each actual purchaser of each Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of the Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds within a maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's MMI procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the City as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Bonds will be made to Cede & Co. or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the City or its agent on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the City or its agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to City or its agent. Under such circumstances, in the event that a successor depository is not obtained, certificates are required to be printed and delivered.

The City may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the City believes to be reliable, but the City takes no responsibility for the accuracy thereof.

FORMS OF BOND COUNSEL OPINION

\$2,900,000
City of Bloomington, Minnesota
General Obligation Permanent Improvement Revolving Fund Bonds of 2025
Series 57

We have acted as bond counsel to the City of Bloomington, Minnesota (the “Issuer”) in connection with the issuance by the Issuer of its General Obligation Permanent Improvement Revolving Fund Bonds of 2025, Series 57 (the “Bonds”), originally dated November 20, 2025, and issued in the original aggregate principal amount of \$2,900,000. In such capacity and for the purpose of rendering this opinion we have examined certified copies of certain proceedings, certifications and other documents, and applicable laws as we have deemed necessary. Regarding questions of fact material to this opinion, we have relied on certified proceedings and other certifications of public officials and other documents furnished to us without undertaking to verify the same by independent investigation. Under existing laws, regulations, rulings and decisions in effect on the date hereof, and based on the foregoing we are of the opinion that:

1. The Bonds have been duly authorized and executed, and are valid and binding general obligations of the Issuer, enforceable in accordance with their terms.

2. The principal of and interest on the Bonds are payable from revenues credited to the Issuer’s permanent improvement revolving fund, including special assessments levied or to be levied on property specially benefited by local improvements, and from ad valorem taxes for the Issuer’s share of the cost of the improvements, but if necessary for the payment thereof additional ad valorem taxes are required by law to be levied on all taxable property in the Issuer, which taxes are not subject to any limitation as to rate or amount.

3. Interest on the Bonds is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. Further, and to the extent of the aforementioned federal income tax exclusion, interest on the Bonds is excludable from taxable net income of individuals, trusts, and estates for Minnesota income tax purposes, and is not a preference item for purposes of the computation of the Minnesota alternative minimum tax imposed on individuals, trusts, and estates. The opinions set forth in the preceding sentences are subject to the condition that the Issuer comply with all requirements of the Internal Revenue Code of 1986, as amended, that must be satisfied subsequent to the issuance of the Bonds in order that the interest thereon be, and continue to be, excludable from gross income for federal income tax purposes and from taxable net income for Minnesota income tax purposes. The Issuer has covenanted to comply with all such requirements. Failure to comply with certain of such requirements may cause interest on the Bonds to be included in gross income for federal income tax purposes and in taxable net income for Minnesota income tax purposes, retroactively to the date of issuance of the Bonds. Interest on the Bonds may affect the federal alternative minimum tax imposed on certain corporations and such interest is subject to Minnesota franchise taxes on certain corporations (including financial institutions) measured by income. We express no opinion regarding tax consequences arising with respect to the Bonds other than as expressly set forth herein.

4. The rights of the owners of the Bonds and the enforceability of the Bonds may be limited by bankruptcy, insolvency, reorganization, moratorium, and other similar laws affecting creditors’ rights generally and by equitable principles, whether considered at law or in equity.

We have not been asked and have not undertaken to review the accuracy, completeness or sufficiency of the Official Statement or other offering material relating to the Bonds, and accordingly we express no opinion with respect thereto.

This opinion is given as of the date hereof and we assume no obligation to update, revise, or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in law that may hereafter occur.

If the Issuer chooses to include any information in any Annual Report or notice of occurrence of a

In the event of a failure of the Issuer to comply with any provision of this Disclosure Certificate any Holder of the Bonds may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the Issuer to comply with its obligations under the Resolutions and this Disclosure Certificate. A default under this Disclosure Certificate shall not be deemed an event of default with respect to the Bonds and the sole remedy under this Disclosure Certificate in the event of any failure of the Issuer to comply with this Disclosure Certificate shall be an action to compel performance.

Section 12. Beneficiaries. This Disclosure Certificate shall inure solely to the benefit of the Issuer, the Participating Underwriters, and the Holders from time to time of the Bonds, and shall create no rights in any other person or entity.

SUMMARY OF TAX LEVIES, PAYMENT PROVISIONS, AND MINNESOTA REAL PROPERTY VALUATION

Following is a summary of certain statutory provisions relative to tax levy procedures, tax payment and credit procedures, and the mechanics of real property valuation. The summary does not purport to be inclusive of all such provisions or of the specific provisions discussed, and is qualified by reference to the complete text of applicable statutes, rules and regulations of the State of Minnesota.

PROPERTY VALUATIONS (CHAPTER 273, MINNESOTA STATUTES)

Assessor's Estimated Market Value. Each parcel of real property subject to taxation must, by statute, be appraised at least once every five years as of January 2 of the year of appraisal. With certain exceptions, all property is valued at its market value, which is the value the assessor determines to be the price the property to be fairly worth, and which is referred to as the "Estimated Market Value." The 2013 Minnesota Legislature established the Estimated Market Value as the value used to calculate a municipality's legal debt limit.

Economic Market Value. The Economic Market Value is the value of locally assessed real property (Assessor's Estimated Market Value) divided by the sales ratio as provided by the State of Minnesota Department of Revenue plus the estimated market value of personal property, utilities, railroad, and minerals.

Taxable Market Value. The Taxable Market Value is the value that Net Tax Capacity is based on, after all reductions, limitations, exemptions and deferrals.

Net Tax Capacity. The Net Tax Capacity is the value upon which net taxes are levied, extended and collected. The Net Tax Capacity is computed by applying the class rate percentages specific to each type of property classification against the Taxable Market Value. Class rate percentages vary depending on the type of property as shown on the last page of this Appendix. The formulas and class rates for converting Taxable Market Value to Net Tax Capacity represent a basic element of the State's property tax relief system and are subject to annual revisions by the State Legislature. Property taxes are the sum of the amounts determined by (i) multiplying the Net Tax Capacity by the tax capacity rate, and (ii) multiplying the referendum market value by the market value rate.

Market Value Homestead Exclusion. In 2011, the Market Value Homestead Exclusion Program (MVHE) was implemented to offset the elimination of the Market Value Homestead Credit Program that provided relief to certain homesteads. The MVHE reduces the taxable market value of a homestead with an Assessor's Estimated Market Value up to \$413,800 in an attempt to result in a property tax similar to the effective property tax prior to the elimination of the homestead credit. The MVHE applies to property classified as Class 1a or 1b and Class 2a, and causes a decrease in the City's aggregate Taxable Market Value, even if the Assessor's Estimated Market Value on the same properties did not decline.

PROPERTY TAX PAYMENTS AND DELINQUENCIES (CHAPTERS 275, 276, 277, 279-282 AND 549, MINNESOTA STATUTES)

Ad valorem property taxes levied by local governments in Minnesota are extended and collected by the various counties within the State. Each taxing jurisdiction is required to certify the annual tax levy to the county auditor within five (5) working days after December 20 of the year preceding the collection year. A listing of property taxes due is prepared by the county auditor and turned over to the county treasurer on or before the first business day in March.

The county treasurer is responsible for collecting all property taxes within the county. Real estate and personal property tax statements are mailed out by March 31. One-half (1/2) of the taxes on real property is due on or before May 15. The remainder is due on or before October 15. Real property taxes not paid by their due date are assessed a penalty on homestead property of 2% until May 31 and increased to 4% on June 1. The penalty on nonhomestead property is assessed at a rate of 4% until May 31 and increased to 8% on June 1. Thereafter, an additional 1% penalty shall accrue each month through October 1 of the collection year for unpaid real property taxes. In the case of the second installment of real property taxes

due October 15, a penalty of 2% on homestead property and 4% on nonhomestead property is assessed. The penalty for homestead property increases to 6% on November 1 and again to 8% on December 1. The penalty for nonhomestead property increases to 8% on November 1 and again to 12% on December 1. Personal property taxes remaining unpaid on May 16 are deemed to be delinquent and a penalty of 8% attaches to the unpaid tax. However, personal property that is owned by a tax-exempt entity, but is treated as taxable by virtue of a lease agreement, is subject to the same delinquent property tax penalties as real property.

On the first business day of January of the year following collection all delinquencies are subject to an additional 2% penalty, and those delinquencies outstanding as of February 15 are filed for a tax lien judgment with the district court. By March 20 the county auditor files a publication of legal action and a mailing of notice of action to delinquent parties. Those property interests not responding to this notice have judgment entered for the amount of the delinquency and associated penalties. The amount of the judgment is subject to a variable interest determined annually by the Department of Revenue, and equal to the adjusted prime rate charged by banks but in no event is the rate less than 10% or more than 14%.

Property owners subject to a tax lien judgment generally have three years (3) to redeem the property. After expiration of the redemption period, unredeemed properties are declared tax forfeit with title held in trust by the State of Minnesota for the respective taxing districts. The county auditor, or equivalent thereof, then sells those properties not claimed for a public purpose at auction. The net proceeds of the sale are first dedicated to the satisfaction of outstanding special assessments on the parcel, with any remaining balance in most cases being divided on the following basis: county - 40%; town or city - 20%; and school district - 40%.

PROPERTY TAX CREDITS (CHAPTER 273, MINNESOTA STATUTES)

In addition to adjusting the taxable value for various property types, primary elements of Minnesota's property tax relief system are: property tax levy reduction aids; the homestead credit refund and the renter's property tax refund, which relate property taxes to income and provide relief on a sliding income scale; and targeted tax relief, which is aimed primarily at easing the effect of significant tax increases. The homestead credit refund, the renter's property tax refund, and targeted credits are reimbursed to the taxpayer upon application by the taxpayer. Property tax levy reduction aid includes educational aids, local governmental aid, equalization aid, county program aid and disparity reduction aid.

DEBT LIMITATIONS

All Minnesota municipalities (counties, cities, towns, and school districts) are subject to statutory "net debt" limitations under the provisions of Minnesota Statutes, Section 475.53. Net debt is defined as the amount remaining after deducting from gross debt the amount of current revenues that are applicable within the current fiscal year to the payment of any debt and the aggregate of the principal of the following:

1. Bonds issued for improvements which are payable wholly or partly from the proceeds of special assessments levied upon property specially benefited thereby, including those which are general obligations of the municipality issuing them, if the municipality is entitled to reimbursement in whole or in part from the proceeds of the special assessments.
2. Warrants or orders having no definite or fixed maturity.
3. Bonds payable wholly from the income from revenue producing conveniences.
4. Bonds issued to create or maintain a permanent improvement revolving fund.
5. Bonds issued for the acquisition, and betterment of public waterworks systems, and public lighting, heating or power systems, and of any combination thereof or for any other public convenience from which a revenue is or may be derived.
6. Debt service loans and capital loans made to a school district under the provisions of Minnesota Statutes, Sections 126C.68 and 126C.69.

7. Amount of all money and the face value of all securities held as a debt service fund for the extinguishment of obligations other than those deductible under this subdivision.
8. Bonds to repay loans made under Minnesota Statutes, Section 216C.37.
9. Bonds to repay loans made from money received from litigation or settlement of alleged violations of federal petroleum pricing regulations.
10. Bonds issued to pay pension fund or other postemployment benefit liabilities under Minnesota Statutes, Section 475.52, subdivision 6, or any charter authority.
11. Bonds issued to pay judgments against the municipality under Minnesota Statutes, Section 475.52, subdivision 6, or any charter authority.
12. All other obligations which under the provisions of law authorizing their issuance are not to be included in computing the net debt of the municipality.

**LEVIES FOR GENERAL OBLIGATION DEBT
(SECTIONS 475.61 AND 475.74, MINNESOTA STATUTES)**

Any municipality that issues general obligation debt must, at the time of issuance, certify levies to the county auditor of the county within which the municipality is situated. Such levies shall be in an amount that if collected in full will, together with estimates of other revenues pledged for payment of the obligations, produce at least five percent in excess of the amount needed to pay principal and interest when due. Notwithstanding any other limitations upon the ability of a taxing unit to levy taxes, its ability to levy taxes for a deficiency in prior levies for payment of general obligation indebtedness is without limitation as to rate or amount.

**METROPOLITAN REVENUE DISTRIBUTION (CHAPTER 473F, MINNESOTA STATUTES)
“FISCAL DISPARITIES LAW”**

The Charles R. Weaver Metropolitan Revenue Distribution Act, more commonly known as “Fiscal Disparities,” was first implemented for taxes payable in 1975. Forty percent of the increase in commercial-industrial (including public utility and railroad) net tax capacity valuation since 1971 in each assessment district in the Minneapolis/Saint Paul seven-county metropolitan area (Anoka, Carver, Dakota, excluding the City of Northfield, Hennepin, Ramsey, Scott, excluding the City of New Prague, and Washington Counties) is contributed to an area-wide tax base. A distribution index, based on the factors of population and real property market value per capita, is employed in determining what proportion of the net tax capacity value in the area-wide tax base shall be distributed back to each assessment district.
