On 02/18/26 at approximately 1547 hours, Officer Hanson #422 and Officer Broadhead #425 were responding to an unwanted party call for service in a marked squad car #865. Officer Hanson was driving the marked squad car Northbound on Nicollet Ave approaching 86th Street. The intersection traffic control signal showed a solid green light for Officer Hanson in Unit #2. As Unit #2 was entering the intersection, Unit #1 was traveling Eastbound on 86th Street, entering into the intersection on a solid red light in her direction. Due to Unit #1 running the red light, Unit #2 collided with Unit #1 on the rear passenger side of the unit. Unit #2 had a vehicle in front of them and stated that vehicle made it through the intersection before them on the solid green light.

Driver of Unit #1 admitted to running the red light due to not thinking she would be able to stop in time, indicating that she must not have been paying attention to the road/traffic. Traffic was traveling at a slower pace than normal due to the snow and icy road conditions.

Driver of Unit #1 did not have a valid drivers license, did provide proof of insurance.

Photos of Unit #1 and Unit #2 were taken on scene and uploaded to Axon.

Due to Unit #1 not having a valid license and admitted to failing to obey the traffic signal, she was cited for both. Unit #1 was towed by Chief's Towing due to no valid driver to come for the vehicle.

Squad dash camera was activated and the entire crash was captured.

### Witness Information:

Name HALLIBURTON, LATASHA LEE	Sex F

Officers were dispatched to a vehicle that had struck a park sign and the driver was reportedly slumped over the wheel. Speaking to the witness they stated Unit 1 was westbound on 84th St W, slowly rolling towards the roundabout. The witness stated unit 1 appeared to just continue straight instead of turning with the road and rolled into the snow and struck a City of Bloomington park sign. The witness and her passenger got out to check on the driver. The witness stated the driver of Unit 1 appeared to have her body slumped over the steering wheel.

The driver of Unit 1 briefly got out of the car then backed out and the witness said she could hear wood breaking from the sign. Unit 1 was then seen driving off into the townhome complex north of the location.

I arrived and located the Unit 1 entering the VFW parking lot just south of the crash location. I stopped Unit 1 who said she was looking at her phone when she went in the snow. Unit 1 driver did not think she hit a sign. Upon looking at Unit 1's vehicle there was fresh damage to the front passenger side bumper with brown paint transfer from the park sign.

Unit 1 driver's license showed revoked due to a previous DWI incident. Unit 1 was cited for driving after revocation and warned for other violations. Unit 1 had a ride enroute to pick her and the vehicle up from the scene.

Pictures of the damage on Unit 1 and the park sign were taken and uploaded to Axon. City of Bloomington notified of the damaged sign.
