On 02/10/2026 at approximately 1812 hours, I, Officer Miller was dispatched to the intersection of 98th Street and France Ave for a two vehicle accident.

Upon arrival I located the two vehicles in the merge lane from Eastbound 98th Street onto Southbound France Ave. Unit #1 was behind Unit #2 in the merge lane. When Unit #2 was stopped and checking for traffic in order to yield and merge onto France Ave., Unit #1 was looking Northbound to check for on coming traffic in order to yield and merge as well. Unit #1 did not see that Unit #2 was stopped, ultimately rear ending Unit #2.

Unit #1 stated that she did not know that Unit #2 was stopped as she was merging and she drove into Unit #2, striking it in the rear driver's side bumper and quarter panel.

Unit #1 sustained damage to the front passenger side bumper.

Both vehicles were drivable and did not need tows. Information for both drivers was exchanged on scene.

While I was filling out the information cards, Driver of Unit #2 asked for an ambulance to come check out her daughter who was the passenger, as she was now experiencing back pain.

Daughter was sitting in the rear passenger seat when the impact occurred. She stated that she believed to have been sitting up and slightly turned to her left when the impact occurred. The impact is believed to have caused injury to her upper back and right shoulder. She did not recall any whiplash motion or if she hit anything in the back seat when the impact occurred.

She was transported to Fairview Ridges in Burnsville per her, and driver's request. Driver of Unit #2 rode in the ambulance with daughter.
