# Neighborhood Watch Event

## **Because a safe neighborhood includes mental health**

Neighborhood Watch is about more than suspicious activity—it's about people. This program brings neighbors together to look out for one another's well-being, recognize when someone may be struggling, and know how to respond with care.

## **Mental Health Matters**

Learn about the free mental health and crisis response services offered to Bloomington residents by the Brain Health team. Additionally, hear how the BPD provides compassionate support and hope to individuals and families impacted by suicide.

## **What you'll learn**

- What the Brain Health team does and the services they provide
- What the LOSS Team does and how they support our community
- Upcoming events and a time to get questions answered

**FREE EVENT**

**Saturday, February 28  
9-11 a.m.**
