On 03/09/2026 at approximately 1900 hours officers were dispatched to 1916 E 86th St for a report of a hit and run motor vehicle accident.

Upon arrival officers spoke with the driver of unit 2, a 2018 Mazda CX-50 bearing MN plates KCL373. She was going to park her vehicle outside the 1916 building and was going to move her other vehicle to park it in a spot. She advised her vehicle was side swiped by another vehicle, causing damage to the front and driver side of the vehicle. She saw the driver and advised it was another female on scene. Her daughter took a picture of the suspect vehicle, a 2012 Kia Sorento bearing Minnesota plates EUA847. After her vehicle was struck the vehicle drove around the building. The vehicle returned shortly after and was now being driven by an unidentified male. She advised the vehicle then "rammed the passenger side of her vehicle."

She stated original female driver got out of the vehicle and the male drove off in the vehicle.

Officers spoke a possible driver of unit 1 who advised she had been driving the vehicle and unit 2 had cut her off.

Officers also located the hit and run suspect vehicle nearby, and it was towed to Chief's towing for evidentiary purposes.
