

Human Rights Commission

2026 Work Plan

Background

Purpose

The Human Rights Commission was formed in 1968, shortly after the assassination of Dr. Martin Luther King, Jr. The HRC will fulfill its mission and purpose of aiding and advising the City Council in ensuring equal opportunity in the areas of human rights protected by law and the social standards of the city for all community members in the city of Bloomington. We will do this by identifying work plan goals, along with broader human rights issues, that align with the overall strategic plan of the City of Bloomington. The HRC will work to align the Commission's work plan with the goals and strategies of the Bloomington Tomorrow Together Strategic Plan (BTT) and work to ensure accountability to the Core Values of the plan. The HRC will work to ensure that the City Council's strategic plan does not have adverse effects on the human rights of Bloomington community members. The HRC will partner with other city commissions to ensure our work has the broadest impact. Success or failure of the HRC's work plan goals will be measured against the mission, core values, and strategic objectives of the BTT.
