----------------------------	----------

On May 9th, 2026, at approximately 17:54 hours, Officer Hanson #405 was dispatched to Lindau and Ikea Way for a "T-bone" crash, with unknown injuries.

Upon arrival. I observed a Nissan Murano bearing Minnesota plate #EBN647. That vehicle will be referred to as vehicle #2. Vehicle #2 was sitting in the eastbound lane of Lindau with disabling damage to the front passenger fender. I marked Numerous airbags were deployed. The vehicle had been occupied by two individuals: the registered owner, LINTON, KELLY ANN, and the driver, LINTON, STEVEN WILLIAM. Both said they were wearing their seatbelts and did not need medical attention. Steven said he was driving eastbound, through the semaphore at Lindau/Ikea Way, when he was struck by a black sedan exiting the mall. Steve claimed that he had the green.

I made contact with the driver of the other vehicle, a CKK334, a black Chrysler 200 sedan.

The driver, NICHOLAS WHITE, said he was driving his friend's car, Adam Cortez. The vehicle is registered to Muna Ali Abdirahim. White was not able to provide proof of vehicle insurance. Routine DVS checks show White had a suspended driver's license. I advised him that his license was suspended, but he claimed that he did not know. White admitted that he was not wearing his seat belt. It should be noted that his seat belt was still buckled in the car.

Officer Vu had advised me that he had observed mall cameras that clearly show Vehicle #2 running the red light and impacting Vehicle #1. I also reviewed the footage, which was uploaded into AXON. ZPV014 has a green light and proceeds northbound, and is impacted by EBN647.

I provided drivers with the driver exchange information packets and told them I would complete a state crash report. No parties were transported by ambulance. Vehicles were towed privately by Chiefs due to disabling damage.

Officer Vu took photos on the scene, and they were later uploaded to AXON.

I spoke to White via phone later in the night, around 2100 hours, and he had told me that he had a sore head and neck and was receiving treatment at HCMC.

Both drivers are to be mailed citations:

LINTON- Failure to obey a traffic control device #270126202808

WHITE- Driving after suspension, and the driver must carry proof of insurance when operating a vehicle.
#270126202809

End of Report/ K. Hanson #405
