On 06/04/26 at approximately 1736 hours, Officers were informed of an accident by a passerby that occurred at the intersection of American Blvd and Portland Ave. As officers informed dispatch that officers were in route, they stated that they had received multiple calls and that there might be injuries.

Officers arrived and found Unit 1 with heavy front end damage facing North on Portland Ave and Unit 2 with heavy passenger side damage. Both vehicles had airbags deployed. Unit 1 had one occupant in the vehicle and that was the driver. Unit 2 had two occupants inside, the driver and the front seat passenger.

Driver of Unit 1 stated to have been traveling Northbound on Portland Ave with a green light.

Driver of Unit 2 stated to have had the green light to turn Eastbound American Blvd from the turn lane.

Statement from Unit 2:

Unit 2 was traveling south and in the left turn lane, as there are two turn lanes to go Eastbound American Blvd. Driver stated that there were no vehicles in the straight lane to go North, but that there were a few cars in the right lane to turn Eastbound American Blvd. Driver stated that there were two other vehicles ahead of Unit 1 that turned East. Unit 2 saw Unit 1 in the turn lane, and that Unit 1 had their right blinker on indicating Unit 1 was attempting to turn right to travel Eastbound on American Blvd. As Unit 2 was almost through the intersection, that is when Unit 1 accelerated and drove straight into Unit 2. Striking Unit 2 in the front passenger side and causing injury to Passenger 1.

Passenger 1 stated that he saw Unit 1 accelerate and drive straight into Unit 2 as they were right in front of Unit 1 in the intersection.

Statement from Unit 1:

Unit 1 was traveling North on Portland Ave through American Blvd. Unit 1 stated to have had the green light when entering into the intersection. Driver stated to be following the flow of traffic which was going pretty fast but unsure of how fast. As she entered into the intersection is when Unit 2 was in front of her and the impact occurred. Driver had minor injuries to her shins from the airbag impact but declined medical attention.

Passenger 1 stated to have shoulder and arm pain from the impact. I observed scratches and abrasions to his right arm and elbow from the impact. Photos of Passenger 1's injuries were taken and uploaded to Axon. Passenger 1 was transported to Fairview Southdale Hospital via Allina ambulance for injuries sustained in the collision. Driver of Unit 2 stated not to have any injuries and did not want medical attention.

Both Units were towed from the scene by Chief's Towing. Both drivers were provided the case number and advised to contact insurance with the case number.

Photos were taken of the accident scene and uploaded to Axon for evidence.
