On 7/7/2026 at approximately 1741 hours, I was dispatched to a hit and run report that occurred at 1700 American Blvd E. I spoke with the owner of Unit #1 who stated she believed that a vehicle hit her vehicle between 1400 hours and 1730 hours. Unit #1 appeared to have minor damage on the drivers side rear panel. After reviewing video footage it was inconclusive as to if any vehicle in the parking lot struck the vehicle. The owner of Unit #1 was adamant that it occurred at 1700 American Blvd E. The vehicle did not need to be towed and the driver of the vehicle that struck Unit #1 did not leave any information. At this point it is uncertain if the incident occurred at this location.
