---	---	-------------------------	--------------	--------------------

Officers responded to 82nd St E / Old Cedar Av S on a report of a personal injury crash. Upon arrival I observed VEH 1 crashed into the fence line that separated Hwy 77 southbound ramp and Old Cedar Av S. Based on the damage, it appeared the driver had come from Hwy 77 southbound ramp and went southwest through the fence that separated the highway and Old Cedar Av S. VEH 1 ended up stalled out with lots of fencing wrapped up around the front end of the vehicle. There was heavy front end damage to VEH 1 and it was undriveable. I made contact with the driver of VEH 1, who advised he was not injured. The driver initially told his wife on the phone that he did not remember anything that happened and did not know how he ended up where he did. He later claimed he was driving southbound on Hwy 77 southbound when he swerved to the right to avoid a vehicle and ended up going through the fence onto the 8200 block of Old Cedar Av S. In total it appeared that the driver had taken out about 40 yards of fence line. VEH 1 was towed by Chief's towing to their towing lot due to disabling damage. The driver could not provide proof of current insurance and was cited for no proof of insurance. The driver was given the case number for his reference. Photos were also taken of the scene and damage and uploaded to EVIDENCE.com. MNDOT was notified of the damage for repair.

PAPKE, JAMES PATRICK	M
Name	Sex
DURKOT, JOSHUA JAMES	M

Report Type: Motor Vehicle Collision

Location: Intersection of American Boulevard and Grand Avenue (near Home Depot entrance)

Posted Speed Limit on American Blvd 35MPH

Involved Parties

Vehicle 1

License Plate: MN-ZSY883

Driver: NAZIR, HAMAD (DOB: 03/05/1982)

Direction of Travel: Westbound on American Boulevard

Statement: Driver stated he was traveling at approximately 55 mph westbound near the intersection when the other vehicle turned in front of him.

Disposition: Transported to Fairview Southdale Hospital via Allina (Run #262934180)

Vehicle 2

License Plate: MN-RTK990

Driver: GONZALEZ-VILLEDA, ADELA (DOB: 04/28/1982)

Direction of Travel: Eastbound on American Boulevard, turning northbound onto Grand Avenue into the Home Depot parking lot

Statement: Driver stated she had a green light but was required to yield to oncoming traffic. She observed the other vehicle visually far enough back and believed she had sufficient time to complete the turn. Due to the other vehicles high rate of speed, she was unable to clear the intersection in time.

Witnesses

Witness 1

Name: PAPKE, JAMES PATRICK

Statement: Was driving westbound on American Boulevard in the right lane. Observed MN-ZSY883 rapidly approaching from behind in his rear-view mirror. MN-ZSY883 passed him in the left lane at an estimated 80 mph (Papke was traveling approximately 40 mph). There was a green light for westbound traffic on American at Grand. MN-RTK990 made a left turn from eastbound American into the Home Depot in front of MN-ZSY883 as it continued at a high rate of speed. The vehicles collided in the intersection.

Witness 2

Name: DURKOT, JOSHUA JAMES

Statement: Was in the right lane when MN-ZSY883 passed him in the left lane on westbound American Boulevard just east of Grand Avenue. MN-ZSY883 was traveling so fast it caused him to flinch; he estimated its speed at at least 65 mph. Green light on American at Grand. MN-RTK990 was eastbound on American and turned north on Grand. Vehicles collided at the intersection.

Witnesses and statements indicate that Vehicle 1 (MN-ZSY883) was traveling westbound on American Boulevard at a high rate of speed (estimates ranging from 55 mph by the driver to 6580 mph by independent witnesses) as it approached the intersection with Grand Avenue.

Vehicle 2 (MN-RTK990) was traveling eastbound on American Boulevard with a green light and initiated a left (northbound) turn onto Grand Avenue into the Home Depot parking lot. Although the driver of Vehicle 2 believed she had adequate time based on the apparent distance of Vehicle 1, the high speed of Vehicle 1 resulted in a collision within the intersection.

Westbound traffic on American Boulevard had a green light at Grand Avenue. Vehicle 2 was required to yield to oncoming traffic while completing the left turn.

Additional Notes

Driver Nazir was cited for reckless driving after admitting he was traveling at 55 mph while independent witnesses estimated his speed at 6580 mph as he approached the intersection on American Boulevard (where other traffic was traveling approximately 40 mph), consciously disregarding the substantial and unjustifiable risk of colliding with other vehicles or causing harm. This high rate of speed constitutes a significant deviation from the standard of care a reasonable driver would observe under the same conditions.

Witness Information:

KECK, MATTHEW DONALD	M

Responded to 4210 West 78th Street on a hit and run with suspect plate.

Arrived on-scene and met with victim Taiden, Patricia Lavonne - 2/25/2010, who advised the following:

She works at Pure Hockey at this address.

She drives victim vehicle PUT-014, which is a black 2018 Kia Forte.

She parked her listed vehicle legally in the lot and went into work.

She was advised by the Total Wine Manager Keck, Matthew Donald - 9/10/1992, that her car had been hit in the lot.

She went to her listed vehicle and observed passenger side rear bumper damage with some red paint transfer.

She provided a photo given to her by Keck of the suspect vehicle TTL-315, which is a 2018 red Ford F-150.

She provided a video given to her by Keck of the suspect vehicle hitting her car, backing up, the passenger getting out, and eventually the vehicle taking off quickly out of the lot.

The vehicle comes back to a Red 2018 Ford F-150 registered to Schick, Nathan Nicholas - 12/4/1989. Address 10805 173rd Street #235 in Lakeville.

The video shows the F-150 parked on the passengers side of PUT-014.

The video shows the F-150 facing out of the parking stall.

The video shows the F-150 make a sharp right turn out of the stall and appear to hit PUT-014.

The video shows the F-150 backing back into the stall it was parked in.

The video shows a person exiting the passengers side of the F-150 and looking at PUT-014.

The video shows the F-150 sitting in the parking stall for a few seconds and then making a left turn out of the stall at a higher rate of speed.

I spoke with witness Keck, Matthew. Donald - 9/10/1992, who advised the following:

He was in the lot across from the victim and suspect vehicle.

He was getting the carts for the store and observed MN license TTL-315 hit the rear of PUT-014 with its passengers side.

He advised the suspect then backed the vehicle back into the stall and a male exited the rear passenger door of the F-150.

He advised the male was a white male with scruffy facial hair and going bald on top.

He advised the male got back in the vehicle and it eventually drove off.

He stated the driver was a heavier set white female in her 40's with glasses.

He believed she was around 200lbs.

He took a photograph of the vehicle before it fled, which showed a picture of the female.

Dispatch provided two possible phone numbers for Schick of 612-258-4307 and 651-528-1128.

I contacted both numbers with only 612-258-4307 answering and advising this was not Nathan's phone.

Vehicle 1 (MN HIRABE), driven by Ismo Mohamed (DOB 12/01/1990; Progressive 872248004), was stopped southbound on Lyndale Avenue South in the far right lane (not a turn lane) at a red light for 98th Street. Vehicle 2 (LGA024), driven by Zainab Kennick (DOB 03/01/1968; Safeco #Z5391873), and Vehicle 3 (IRSHMAN), driven by John Kilpatrick (DOB 01/09/1954) with passenger Pamela Kilpatrick (DOB 05/09/1955; State Farm 339 0344-E19-23S), were traveling westbound on 98th Street through a green light.

Vehicle 1 then pulled into the intersection to make a right turn, failing to yield to all traffic. This caused the crash. A witness confirmed the sequence of events. The driver of Vehicle 1 was determined to be at fault and was issued citation #270126204715 for failure to yield.
