Preliminary Statement:

On 08-22-2026 at approximately 1345 hours, I responded to an injury crash at the intersection of Lyndale Ave S and 90th St W.

Officer Observations/Actions:

Upon arrival, I observed a black Chevrolet sedan, MN: WV8587, occupied by a female driver, later identified as Raqiya Abdisamed. The vehicle was stopped in the eastbound lane of 90th St W. I observed damage to the front bumper and a crack in the windshield near the driver's side.

Next to the Chevrolet, I observed a damaged moped, MN: 17068MD, lying on its side. I also observed a male, later identified as Rose David, sitting in the westbound lane of 90th St W.

David had a bandage around his head. I observed a large amount of blood on his face and on the roadway. Officers were tending to David's injuries while an ambulance was en route.

I made contact with Abdisamed. She stated she was driving southbound on Lyndale Ave S and approaching 90th St W. She was in the left-turn lane and was signaling to turn eastbound onto 90th St W. Abdisamed stated she had a flashing yellow arrow and came to a complete stop before proceeding through the intersection. She stated that as she began turning, she struck a moped. Abdisamed stated she did not see the moped and believed the intersection was clear.

An officer on scene advised me that David had a severe laceration to the top of his head, with the skull visible. Due to the severity of David's injuries, I was unable to obtain a statement from him. David was transported by Allina to HCMC, run #262951186.

Officers spoke with several witnesses at the scene.

Witness Statement - Diana Williams:

Williams stated she was stopped at the red light while traveling westbound on 90th St W at Lyndale Ave S. She observed the black passenger vehicle traveling southbound on Lyndale Ave S in the left-turn lane to turn eastbound onto 90th St W. Williams was unsure which direction the moped was traveling from but observed the collision occur within the intersection.

Witness Statement - Lisa Riedesel:

Riedesel stated she was traveling eastbound on 90th St W at Lyndale Ave S and was in the left-turn lane with a red arrow. She observed the black vehicle traveling southbound on Lyndale Ave S and turning eastbound onto 90th St W. Riedesel was unsure which direction the moped was traveling from but observed the collision.

I reviewed video footage provided by Steven Dugeiro, who works at a body shop northeast of the intersection. The video showed Abdisamed in the left-turn lane, signaling to turn eastbound onto 90th St W. Abdisamed proceeded to turn and struck David, who was traveling northbound on Lyndale Ave S through the intersection.

I also reviewed additional video footage from Leroy's Gas Station, located southwest of the intersection. The video showed Abdisamed striking David as she turned eastbound onto 90th St W.

Both videos, along with multiple photographs of the scene and vehicles, were uploaded into evidence via Axon Capture.

Both vehicles were towed by Chiefs Towing. Tow sheets were completed.

TIU responded to the scene.
